

South High Student Presented Scholarship by Local Industry

M. D. Schwartz, president of the Pacific Smelting Co., has announced that John Everard Dowsing III, 17-year-old graduated senior from South High School has been awarded the 1961 Pacific Smelting Foundation educational scholarship. This will be the fifth scholarship awarded to a high school senior in the Torrance High School system by this foundation.

The Pacific Smelting Foundation educational scholarship is exclusively for seniors in the Torrance Unified School System who desire to obtain a mathematic, scientific or engineering degree in an accredited university. The recipient of this scholarship is chosen by the foundation's committee on the basis of scholastic record, character, citizenship, leadership, aptitude and general educational outlook. The applications this year were received from North High, South High, and Torrance High Schools.

This is the first year that an applicant was selected from South High School, all of these schools being in the Torrance Unified School District.

THE PACIFIC SMELTING Foundation scholarship will provide John with \$500 a year for five years, or a total of \$2500. This will assist him in paying his college expenses. John intends to enroll in the University of California at Los Angeles and major in the field of electronics.

Winners of this scholarship in prior years were: 1957, Laurence L. George, who this semester will graduate from UCLA, having majored in engineering; 1958, Walter A.

Sapp, who is currently attending the University of California at Berkeley and majoring in mathematics; 1959, Howard A. Borer, also attending Berkeley with a major in mathematics; 1960, Larry A. Staat, attending UCLA and majoring in mathematics.

JOHN IS THE son of John and Frances Dowsing, who resides at 626 Calle de Arboles. He has two brothers and one sister. His brother, Leslie Evans, is a graduate of UCLA and his brother Phillip Quentin Dowsing is a sophomore at South High School in Torrance.

HIS SISTER, Mrs. Richard Stoner, lives in Hollywood Riviera and is the mother of three-month-old Michael Blair Stoner. John's scholastic record was an outstanding one all through his high school career, and he was very active in school activities. His hobbies consist of amateur electronics, surfing, skin diving and art. He has been very proficient in every one of these fields.

As a pioneer Torrance industry, the Pacific Smelting Company has always met its civic responsibilities to its community. Its scholarship program is just one of the many civic undertakings of this company. The Pacific Smelting Co. produces Pasco zinc products such as slab zinc, zinc oxide, zinc dust and zinc alloys. These products are sold to steel mills, galvanizers, rubber, paint, paper and ceramic industries.

SCHOLARSHIP WINNER . . . M. D. Schwartz, president of Pacific Smelting Co., presents scholarship certificate to John Everard Dowsing III, while his parents, Mr. and Mrs. John E. Dowsing Jr., residents of the Hollywood Riviera, look on. The scholarship is for \$500 a year, renewable for four additional years, or a total of 2500.

Measles Lead Disease Race

Measles was an easy winner in the disease derby as the month of May closed, according to figures compiled by the County Health Department.

At the end of the month, a total of seven cases were reported in the city of Torrance to take the derby against scarlet fever, which could muster only one reported case, and mumps, which could claim none.

Other diseases reported during the final week included one case of epilepsy, one of hepatitis, and one of syphilis. Two other persons were reported to have suffered a streptococcus infection.

Lucky Stores Open No. 125

The 125th supermarket in the Lucky Stores, Inc., chain opened its doors in Los Gatos yesterday.

Appointed to manage the new store is Donald Meloche of Sunnyvale. Meloche has been with Lucky Stores, Inc., since 1949.

Assistant manager will be Ron Venturelli, San Jose. The produce and meat departments will be managed by Dick Turini and James Dusan, both of San Jose.

The Los Gatos unit, the new-

est in a chain of supermarkets extending from Canada to Mexico in the west, contain more than 11,000 square feet of space devoted to sales displays. Incorporated into the stores design are the latest in self-service refrigerated cabinets for fruits, vegetables, dairy products, frozen foods, and freshly cut, cellophane-wrapped meats. Other departments offer groceries, produce, housewares, drugs and sundries, and liquors.

MAKE A LIST OF EVERYTHING YOU OWN, and keep it in a safe place. A Household Inventory is worth its weight in insurance money in the case of fire or theft. Keep your list and other family valuables in a Security Safe Deposit Box for as little as 2c a day. Talk it over with your nearby
