"The happiest music in America from the roaring 20's to the soaring 60's" this week moved back into Marineland Restaurant in Palos Verdes with the return of "Big" Tiny Little and his merry-making ragtime band.

The honky-tonk pianist, formerly of Lawrence Welk fame, but currently a television star with his own musical show, was ushered into the "Porpoise Room" by owner George M. Foster for a 4-week engagement. He and his five-piece band will continue on the "Big Tiny Little Show" every Saturday over KRCA (channel 4) during their Marineland Restaurant appearances.

"ACCLAIMED the greatest thing that ever happened to a piano, Little offers a wealth of musical fun as he and his quintet—plus talented, barrel-house songstress Josephine—combine foot-tapping music with flashy showmanship. Behind the keyboard artistry of its leader performs a band whose jazz is fluid and melo-

dic, with technical fireworks taking a back seat to the music inherent in each piece they play. Their jazz treatment of new and old favorites throb and tingle with equal excitement, as audiences discovered five months ago when "Big" Tiny Little last played the "Porpoise Room."

BACK AGAIN fronting his group of TV and recording artists, Little will be rolling out the hot-notes at Marineland Restaurant nightly except Mondays through Sept. 17.

Reservations to hear them in the "Porpoise Room" are suggested by the management,

which has already booked the entertainers for a second return engagement early next year.

County History Rotary Topic

Exploration, colonization and development of Los Angeles county from the late 1800s will be told at a Torrance Rotary club meeting Wednesday, Sept. 6.

Speaker will be Norm Woest, Title Insurance and Trust Co. community relations director. The meeting is scheduled for noon at 1925 W. Carson St., according to John Tweedy, program chairman.

Bishop Montgomery High Sets Opening Sept. 5

Teachers at Bishop Montgomery High School this week sounded their annual back to school call for the area's students. Classes are slated to get underway for ninth grade students on Monday, Sept. 5, at 8:25 a.m. Tenth through 12th grade students will return to school on Tuesday, Sept. 6, at 8:25 a.m.

Classes will be let out at noon on the first three days, but will begin full day instruction on the fourth day. Regular dismissal is set for 3 p.m.

ANTICIPATED enrollment for the school, now in its fifth year, is 1210 students.

The teaching staff, headed by Rev. Michael J. McNulty, is composed of 45 members, including 16 priests and 15 nuns. The principal will be assisted by vice principal Rev. Eugene Buhr.

Other faculty administrators are Rev. Laurence Lis, OFM, Conv., dean of Boys; and St. Mary William, CSI, the Dean of Girls. The priests are of the Conventual Franciscan Order while the nuns are the Sisters of St. Joseph of Carondelet.

The high school coaching staff and physical education department are under the direction of George Gaunder.

STUDENT BODY officers elected at the close of last year's term include Joseph Allen, president; Sally Robinson, vice president; Kathy Reed, secretary; and Forrest Wer-muth, treasurer.

Three parishes served by the Catholic school will charter busses this year. St. Anthony's, St. Catherine's, and St. Lawrence's parishes will charter busses which will also serve other parishes in the area.

Further information concerning busses, enrollment, or class times may be obtained by calling the school.

"Big 'K' has called upon the Russian people to start eating horse meat. We are unable to come up with a comment on this development that doesn't sound like a horse laugh." — Richard Mayer, Jr., North Vernon (Ind.) Sun.
