

APPLIANCE DISPLAY... Exhibit of gas appliances at the division headquarters of the Southern California Gas Co. at 158 S. La Brea Ave., Inglewood, will continue through August. It was announced here yesterday by Manager George Babbe. The exhibit is open daily through the week and from 6 to 9 p.m. each Friday.

Highway Dept. Examining Bids

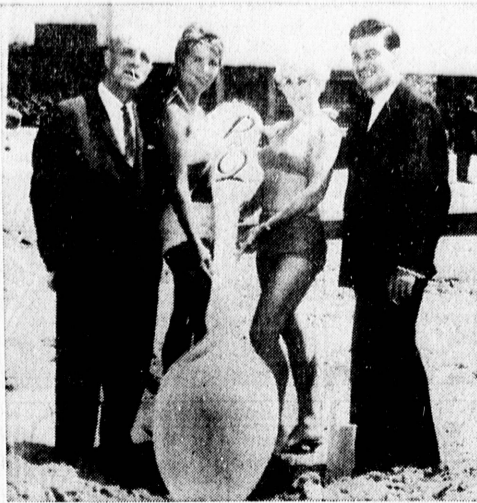

The State Highway Division said it expects to award a contract soon for barriers on the Harbor Freeway between the interchange and 135th St.

Supervisor Kenneth Hahn said that the Highway Division opened bids on Aug. 10 and is now examining them to award the contract to the lowest responsible bidder.

Since completion of the Harbor Freeway, Supervisor Hahn has repeatedly, by resolution and letters both to Governor Brown and the State Highway Division, requested emergency telephones and barriers on the freeway to help prevent accidents. Specifically, letters were written to Governor Brown on May 19, 1961 and to the State Highway Division on March 13 and July 23, 1959; May 3 and Nov. 22, 1960; and on Feb. 20, 1961.

If the barriers save one life, they will be worthwhile, Hahn said.

New entrance, adjoining the Pen & Quill Restaurant, will open in mid-November.
