

## Rabbi Hyman Conducts Ner Tamid Service

A distinguished Rabbi has chosen by Congregation Ner Tamid of South Bay to conduct their Conservative High Holiday services which start on Sept. 10.

Rabbi Harry Hyman, who was formerly with the Huntington Park Conservative Congregation for 15 years, is now the Chaplaincy Director for the South Bay area, in connection with the United Synagogue.

The Chaplaincy program plays an important part in the lives of many Jewish inmates of institutions, hospitals and rehabilitation centers. It provides religious services and festive meals on special holidays, and regular visits by a Chaplain to those who might otherwise be forgotten and lonely. Other activities include counseling, lectures to groups of nurses and the distribution of numerous gift packages.

Congregation Ner Tamid of South Bay will hold its High Holiday services at the Mormon Chapel, 2000 W. 174th St., Torrance. Rabbi Hyman will be assisted by Cantor Abe Sechter. Tickets for the High Holidays are available to the public by calling FR 3-2723, FR 5-5351, DA 5-3219 or TE 3-9422.

Those interested in registering their children for the Hebrew and Religious schools, which will start in September, are asked to call Dr. Richard Gold, education chairman, FR 8-5576.

## Witnesses Polish Plan For Session

Russell Cantwell, circuit minister of Jehovah's Witnesses, will conclude his circuit activity next week to attend the United Worshippers District Assembly in San Francisco. According to Leonard Olliff, presiding minister of the Torrance Congregation, Cantwell will be among the 30 or more circuit ministers that will participate in the six-day assembly program which begins on Aug. 29.

Cantwell visits the Torrance congregation every five or six months to help all associated ministers to help improve their teaching ability. He also addresses the group several times during his week's visit, outlining new things learned and subjects of current interest in relation to fulfillment of Bible prophecy.

For the past several weeks, the circuit minister has been encouraging all congregations in this area to make arrangements to attend the San Francisco meeting. "Because it promises to be a milestone in the forward movement of the New World Society of Jehovah's Witnesses earth-wide."

## Jews Behind Iron Curtain Friday Topic

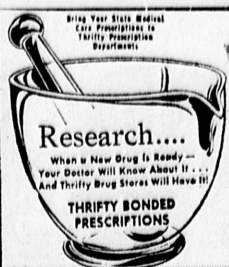

"Jews Behind the Iron Curtain" will be the topic of the sermon by Rabbi Henri E. Front of Temple Menorah, 112 N. Catalina Ave., Redondo Beach, Friday night at 8:30.

This will be the last Friday night service in the Temple building at that address. Beginning Saturday night with the Starlight Night social event, all activities of Temple Menorah will be held in the new building at 1101 Camino Real, Redondo Beach.

The sermon on the Jews in Eastern Europe is the second of a four part series on "Jewry Round the World" being given on successive Friday evenings by Rabbi Front, based in his experiences during his recent tour of Europe and Israel. The last two sermons to be delivered Sept. 1 and 8 at 8:30 p.m. will be on Judaism in Israel.

The services are open to the public. Information about High Holy Days and Religious School and Hebrew classes may be obtained by calling the Temple office.
