says he met a girl who kept looking at his class ring — a Torrance High ring of 1959 exactly like the one Seiler had bought while at the local school. When asked if she knew Seiler, the young girl took Pfc DeFields to her partment house where the Seiler family also lives.

In his letter, DeFields says, "When I arrived at Dieter's home he was not there, he had gone on a vacation to Holland. But his parents insisted that I stay with them Saturday and Sunday. They were really wonderful to me and treated me just like a member of the family."

THE LETTER describes a dinner at a small restaurant

where the American soldier and the Seilers "talked until it closed." Mr. Seiler took DeFields on a sight seeing tour of Boppard on Saturday and the pair, along with a friend of the Seiler family, went mushroom hunting on Sunday.

"It was really fun," says DeFields. "They were just wonderful to me all the time I was there. I'll bet I gained five pounds, for they just wouldn't let me stop eating." The 19-year-old soldier said that the Seiler family asked him to return to Boppard in the early part of October when Dieter will be home.

DeFields has also been asked to spend his Christmas leave with the family. "I guess I've found myself a home away from home," he said.

RECENTLY, DeFields received a letter from Dieter, who is very anxious to have him return to Boppard. For the two,

### Thief Takes Money Meant For Blind

A mean thief broke into the Roaring 20's, 16812 Crenshaw Blvd., early Thursday morning and took \$78 from a collection meant for the North Torrance Lion's Club white cane drive for the blind.

Money in the container, which was labeled "Lion's

White Cane Drive," was to be used for books, recorders, and eye examinations. The thief also took a roll of nickels, a roll of quarters and eight \$1 bills from the cash register.

Entry to the establishment was gained by prying a latch off a rear door, according to police.

In another burglary, seven paint brushes valued at about \$70 were stolen from the Airport Lumber Co., 4274 Redondo Beach Blvd. Wednesday night. The thief also ransacked a file cabinet after he broke in by breaking a rear window. This marked the second time in a week the establishment was entered, according to Meyer M. Waterman of the firm.
