WILLIAM R. BECKER
Manages New Local Bank

Becker Given Top Post in Newest Bank

William R. Becker has been appointed manager of Citizens National Bank's new Pacific Coast Hwy.-Crenshaw office scheduled to open for business in September. It is announced by Roy A. Britt, Citizens president.

Citizens new office, the 64th in the Southern California area, is located at 2599 Pacific Coast Hwy. in the Rolling Hills Plaza Shopping Center.

Becker, recently manager of the bank's Washington-West View Office, joined Citizens in 1948 and has held supervisory positions at several other branch offices.

A native Californian, Becker attended Inglewood High School and University of Southern California before serving in the U.S. Army in Europe during World War II. He and his wife Gerry live in the Torrance area with their three children, Denise, 11, Paul, 8, and Diane, 4 1/2.

Woman Gets Top Post in Savings Firm

Mollae Allison has been appointed manager of Great Western Savings and Loan Assn.'s Venice office, it was announced by Emil Seliga, executive vice president of Great Western.

Mrs. Allison, who becomes the second woman to hold the position of branch manager in the financial institution's 36-year history, has been employed by Great Western for 12 years. She is an assistant secretary of the association.

Mrs. Allison will assume the duties of Venice manager as John Machado, who has served since October, 1960, becomes manager of Great Western's Manchester-Vermont branch, located at 947 West Manchester Blvd.

Great Western is the fifth largest savings and loan association in the nation, with assets of over \$411 million. The Venice office is located at 1440 Lincoln Blvd.

Polio Shots To Be Given This Week

Polio clinics will be repeated at three Torrance hospitals Thursday for persons who need polio booster inoculations or who wish to begin or continue a polio inoculation series.

The three hospitals which will offer the inoculations from 4 to 8 p.m. are Little Company of Mary, 4101 Torrance Blvd.; Riviera Community Hospital, 4025 W. 226th St., and Torrance Memorial Hospital, 1425 Engracia St.

Dr. William A. Taylor, president of the local Southwest District of the Los Angeles County Medical Assn., said the clinics will be repeated at hospitals on the last Thursday of each month for an indefinite period.

The medical spokesman said there is a \$1 charge.

Engineer Completes UC Training Course

Robert W. Hammer, a quality control engineer with the Hughes Aircraft Co., communications division, El Segundo, has recently completed a program in Statistical Methods in Industry at the University of California, Berkeley.

The program was sponsored by the University College of Engineering.
