

## Ice Follies Visit L.A.

Ten of the ice skating champions of the Shipstads and Johnson Ice Follies hail from the land of the orange, sunshine and subdivisions. The show has its world premiere, Sept. 7 at the Pan Pacific.

Heading the list is the king of the professional skaters, Richard Dwyer, who lived in Burbank for many years but now calls Hollywood home.

Then there is Carol Caverly, who went to school in Compton and now hails from Whittier. Another top ranked star, Lee Carroll, is from Huntington Park.

Other Southlanders with the Ice Follies include Karen Bauerly of Downey, Linda Cochran of Bellflower, Patricia Ann Cowger of Long Beach, Carole Jewett of Santa Monica, Jacklyn Perkins of Burbank, Wayne O'Toole of Lancaster and the teenage queen, Little Janet Champion of San Diego. The Ice Follies will be at the Pan Pacific for 18 days only.

## New Cabrillo Savings Near \$2 Million Mark

Fast-growing Cabrillo Savings, the Torrance area's new locally-owned savings and loan association, is nearing the two million dollar mark in assets.

Manager Fred Strohmer reports a steady flow of new accounts being opened at Cabrillo's Crenshaw and Pacific Coast Hwy. location, in the Rolling Hills Plaza, with a large number of Torrance families included.

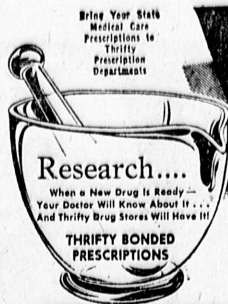

The bonus offer of two Blue Chip stamps for every dollar placed in an account is being continued during September by Cabrillo Savings. This will be the final month during which appreciation gifts can be offered for new accounts, or for additions to existing accounts. Vacuum jugs and other picnic and patio items are also offered to savers.

Cabrillo Savings pays the highest rate on insured accounts, 4 1/2 per cent annually, and interest is compounded four times a year. All accounts are insured to \$10,000 annually; through individual, trust, and joint accounts, a family of three persons can have as much as \$70,000 in Cabrillo Savings accounts protected by Federal agency insurance, Strohmer points out.
