

STOP, LOOK AND MISS 'EM . . . Vacation's over for more than 3 million school children in California, and scenes such as this one will be repeated many times over. Miss Carol Lane, travel authority for Shell Oil Co., reminds motorists: "The lives of school children are in your hands. Their thoughts may still be on vacation fun." To parents, she suggests: (1) Show your children the safest route to school. (2) Review the procedure at traffic signs, signal lights, and intersections, both guarded and unguarded. (3) Set a good safety example yourselves — all year.

Lecturer To Be YWCA Speaker

Ralph L. Preston, a human relations consultant, will speak on "How to Increase Your Income," Thursday at the YWCA, 2320 W. Carson St.

He will also speak at the same location Friday night on "How to Use the Secret Powers of the Subconscious Mind." Friday's event is scheduled for 8:08 p.m.

Preston is also a lecturer

and president of Leadership Investments Co. The 36-year-old former president of two Arizona corporations is founder of the Preston Leadership Training Course. He has lectured before national sales organizations, business groups and recently spoke before an audience of more than 2000 in Los Angeles.

U. S. Steel Honors Eight Men for Service

Eight men — including five from Torrance — were receiving kudos from fellow employees at U. S. Steel's Torrance Works today upon receiving service awards variously denoting tenure from 25 to 35 years.

Hearing for Horlander Put Off Again

Douglas Horlander, who was scheduled to go before the Civil Service Commission Friday night with his plea for reinstatement as a city employee, will have to wait again—this time until Oct. 13 or Oct. 19.

The scheduled hearing was postponed Thursday when Robert Dower, assistant city attorney, called John Barton, attorney for Horlander, and Charles Catterlin, city prosecutor, and asked for the delay.

A notice posted in the city hall over Dower's signature states the hearing has been postponed until Oct. 19.

Catterlin told the HERALD Friday he was told by Dower it had been set off until Oct. 13.

Dower was not in his office Friday because of the Admission Day holiday.

Horlander had sought the hearing after adoption of the 1961-62 city budget eliminated his position as assistant director of public works.

He has charged that he is the victim of a political "ouster."

among those honored at a luncheon were Jacob A. Gunthier, 223 S. Broadway, Redondo Beach; Harold S. Minor, 1631 W. 216th St.; Kenneth W. Pickrell, 2541 Sierra St.; and Henry E. Adecock, 4435 W. 167th St.

Andre Grenier, 1319 W. 104th St., Los Angeles, is wearing a 30-year pin.

Twenty-five-year men are Laural C. Ellis, 21900 Martinez St.; Eric C. Betts, 2376 Maricopa Pl.; and Paul H. Jones, 1604 Hickory Ave.

E. C. Kinyon, general superintendent of the Columbia-Geneva Division mill, said service with U. S. Steel for awards recipients totals 475 years.

The awards were presented by R. W. Pett, superintendent engineering and maintenance; William Montgomery, superintendent - rolling mill; and William Slater, assistant to superintendent - production planning.

Births

South Bay Hospital

HATTON — Mr. and Mrs. Dick, 1928 Entradero Ave., a son, John, born Aug. 2.

Seek Volunteers For Area Chest Campaign Work

Volunteer workers are needed now to assist in community health programs, hospital service, and in preparing the annual Christmas Seal Campaign mail by the Tuberculosis and Health Assn. of Los Angeles County.

Mrs. Harold Tegart, chairman of the Christmas Seal Assn.'s volunteer services advisory committee, said that names are now being added to the volunteer register of the organization aid that help is needed in many areas of program activity.

Association volunteers serve in community chest X-ray programs, assist in research projects, visit patients on chest illness wards of hospitals, and work at association headquarters preparing the annual Christmas Seal mailing, she said.

"The pioneer volunteer health agency in our community needs volunteer workers now," Mrs. Tegart said. "Any person who can give their time for this worthy effort can obtain more information from the association at 1670 Beverly Blvd. Los Angeles 26, or by calling the volunteer services coordinator at DUNKirk 8-3401.

Chest X-ray Date Listed By College

A mobile X-ray unit, privately owned, and operated by California Chest Surveys, will be on the campus of E Camino College Wednesday, Sept. 20, from 9 a.m. to 3 p.m. and 6 p.m. to 9 p.m.

Employees of the college, in meeting the requirements of the Board of Trustees, are required to submit to a chest examination on an annual basis.

"Students and residents of the community are welcome to avail themselves of the opportunity of having an X-ray made locally at a cost of \$1," Polly Butts, college nurse, said.

The X-rays are taken by a licensed X-ray technician and are interpreted by P. K. Telford, M.D., chest specialist, who was head of the Tuberculosis Division of the L.A. County Health Department for 25 years.

Processing, transportation, and distribution of food takes 60 cents of our food dollar. The farmer gets less than 40 cents, about 10 cents less than he got ten years ago.

Realtor Fetes Salespeople at Dinner-Dance

Members of the Taft Allen Real Estate sales staff were honored at a dinner-dance recently for their efforts in helping the company top the \$10 million sales mark. More than 100 people attended the affair, held at the Elks Club.

Taft Allen served as master of ceremonies for the evening, and thanked the staff for their efforts. He said the salespeople were to be commended for conducting themselves according to the "Golden Rule" in their dealings with customers.

Allen is a member of the Southwest branch of the Los Angeles Realty Board, the Inglewood Board of Realtors, as well as the Hawthorne, Gardena, Torrance-Lomita, and South Bay Realty Boards.

Ray Straeter, general manager of the firm, reported that the first eight months of the year had shown a steady increase. Over 500 transactions, bringing sales volumes to \$10,274,758, were completed.

The Taft Allen organization was founded in 1952 by its president, Taft L. Allen. The company now has five branches located in Torrance, Gardena, Hawthorne, Inglewood and Los Angeles.

Obituary

JAMES R. BURK

Funeral services for James R. Burk of Torrance have been scheduled in Bristol Tex., Monday. Mr. Burk, who had resided here for five years, died suddenly Thursday.

He is survived by his widow Bertha; and two daughters, Deloris and Peggy, both of Texas.

Local arrangements were handled by Halverson-Leavell Mortuary.

LOWELL T. TELFAIR JR.

Funeral services were held yesterday for Lowell Lea Telfair Jr., 38, who resided at 3435 W. 227th Pl.

He is survived by his widow, Kathryn; son, Timothy; daughters, Dianne and Teresa; mother, Mrs. Elizabeth Sjorgren of Covina, and father, Lowell Telfair of west Los Angeles.

Priests from the Nativity Catholic Church officiated. Graveside military services were held at Fort Rosecrans, San Diego.

ALBERT WINKLER

Rosary was recited Wednesday evening for Albert Winkler, 72, who resided at 2031 Gramercy Ave.

Mass was held Thursday morning at the Nativity Catholic Church with priests from the church officiating. Burial was in Holy Cross Cemetery in Los Angeles.

Survivors include two daughters, Myrtle C. Maier of Gardena, and Bernice Bowman of Torrance; one brother, Henry Winkler of Los Angeles; one sister, Ida Brock of Santa Monica; five grandchildren and eight great grandchildren.

Winkler died Monday at Ocean View Sanitarium in Redondo Beach.

ANN DACRE

The Rev. Hugh Percy officiated at services Friday in St. Andrews Episcopal Church for Ann Dacre, 74, who resided at 624 Cota Ave.

Interment followed at Inglewood Park Cemetery. She died Tuesday. Survivors include one daughter, Mary Parman of Arizona and one brother, Frank Thompson of Torrance.

She was born in England and resided in this area eight years.

MAUDE E. BUSHON

The Rev. Gilbert Zimmerman of the Torrance Methodist Church officiated at services Friday for Maude Ethel Bushon, 79, who died Tuesday.

Services were held at the Stone and Myers Chapel. Interment was at Oakridge in Catlin, Ill. She had resided in this area one year.

She is survived by two sisters, Madge Nelson of Torrance and Blanche Murphy of Ohio.

GLADYS LEE DOAN

Funeral services for 22-year-old Gladys Lee Doan who resided at 2023 Cabrillo Ave. were held Thursday at the Stone and Myers Chapel.

Mrs. Doan died on Labor Day at Torrance Memorial Hospital. The Rev. Hugh R. Percy of St. Andrews Episcopal Church officiated. Interment was held at Sunset Memorial Park in Port Huron, Mich.

Survivors include her husband, George; one daughter, Anita Leann; parents, Mr. and Mrs. Louis Sterling; one brother, Louis R. Sterling Jr.; four sisters, Barbara Ann Siegfried, all of Torrance, Patricia Ann Roark, Constance J. Sterling and Deborah Sterling.

There are 35,000 post offices in the United States. Some of the most profitable of these are the ones that handle the greatest amount of third class mail.

SCIENCE IS DEVELOPING NEW SOURCES OF ELECTRICITY

American industry recognizes that the demand for electrical energy will soon reach staggering proportions—that the future is all-electric.

That is why today, more than ever before, practically all segments of industry are channeling tremendous effort toward one imperative, common objective: to be ready for the all-electric future by improving existing methods and finding new ways of producing and delivering electricity; by increasing the efficiency of electrically operated products; by expanding the many ways electricity can serve mankind.

The electric industry, of course, continues to be in the forefront in this research. And logically so. Electricity is our business.

We have already produced electricity from solar energy, from fuel cells, and from nuclear and other sources.

Whatever the source, electrical energy is limitless, and Southern California Edison will continue to bring you an abundant, dependable supply at the lowest possible rates.

WHAT CAN YOU DO TO BE READY?

When you buy a range, clothes dryer, air conditioner, water heater or home heating—buy electric. Why compromise with progress? Electricity is today's biggest bargain—still priced at 1939 levels.

When you buy a home, go all-electric. DON'T BUY BUILT-IN OBSOLESCENCE. Get complete "Housepower." Only a home built to rigid Medallion Home standards has the overall electrical capacity necessary for truly modern living.

Look for this emblem. It will look out for you. When you see the Gold Medallion Home emblem, it means that you've found a total-electric home. It represents tomorrow's living today. And it means an amazing future for you—an all-electric future.

Why live in the past?

You can live better electrically today.

SOUTHERN CALIFORNIA Edison COMPANY

WHAT WILL YOUR LIFE BE LIKE IN THE ALL-ELECTRIC FUTURE?

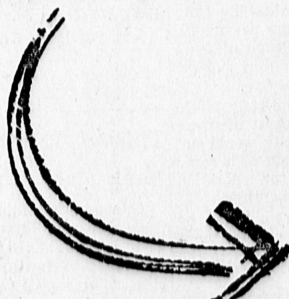

Electrically-produced ultrasonic waves will dry-clean your clothes instantly, right in your closet. You will make a cake or saw wood with cordless appliances . . . shop by two-way TV-telephone. And this is only the beginning of the wonderful things to come.

YOUR FUTURE IS ALLELECTRIC

Ten years ago the average family owned 15 electric appliances. Today, the same family owns more than 30. The number of ways electricity will serve you tomorrow is almost unlimited.

YOU... AND YOUR FUTURE COME SEE HEAR
