Credit Bureau Moves Into Larger Quarters

For the third time in six years the Credit Bureau of South Bay District has found it necessary to move to larger quarters. The new location at 1628 Cravens Ave., consists of an entire ground floor building covering an area of 4000 square feet. This growth is attributable to the continued confidence and support of the professional and retail credit firms of the area.

The Credit Bureau of South Bay serving Torrance, Redondo Beach, Manhattan Beach, Hermosa Beach, El Segundo, Hollywood Riviera, Palos Verdes, Rolling Hills, Gardena, and Lawndale, is affiliated with nearly 3000 credit bureau members of the Associated Credit Bureaus of America and is in the position of being able to secure credit information and collection coverage instantly throughout the United States and Canada.

The staff of the Credit Bureau of South Bay has grown to 32 and it is expected to continue in its growth in the period ahead.

Phone Users To Get Area Code Symbol

Pacific Telephone subscribers here will receive in their billing envelope during October a sheet containing area code "213" stickers designed for attachment to their telephone number plates.

The stickers designate the correct area code for the location of the individual customer's telephone, according to R. S. Pyle, Pacific Telephone's Torrance manager.

"We are asking our customers to place a code sticker on each of their telephone instruments in the upper portion of the round number plate window," the manager said. "This should prove a helpful reference when they give their number to out-of-town callers."

"Area codes are the key to Direct Distance Dialing (DDD)," Pyle pointed out. They form the city and state portion of a telephone address. The regular phone number serves as the local part of that address. With area codes there is a different number for each of more than 76 million telephones in the U.S. and Canada.

Family swimming will be featured from 6 to 7 p.m. on Monday through Thursdays. Children under the age of 18, Morrow emphasized, must be accompanied by parents.

A three-hour period of swimming will be available on Friday evenings, pools being open from 6 to 9 p.m.

From 9 a.m. until noon on Saturdays, children will be admitted to the pools. Minimum age is 7 and maximum height is 50 inches.

Swimmers must furnish their own towels and suits.

He has been active in bureau and civic work for a number of years. The general manager, Frank M. Blenkhorn, is currently a national director of Associated Credit Bureaus of America, past president of Associated Credit Bureaus of Pacific Southwest and president of Rotary Club of Santa Monica.

Developer Names New Ad Agency

Clifford Gill Agency of Beverly Hills has been appointed national advertising and public relations representatives by Donald H. Shandling, Inc., developer and owner of Pacific Plaza in Torrance, as well as others throughout the nation.

All of the shopping centers will receive "hand tailored" promotional assistance from the agency, which is now preparing pre-Christmas campaigns for each of the centers.

The Shandling organization is one of the nation's largest builders and owners of shopping centers, with seven facilities in Southern California and ten in eastern states. The Clifford Gill Agency has been associated as advertising consultants with various residential developments throughout Southern California.

Improvement Project in 'Strip Set

A parent-teacher sponsored improvement project along W. Normandie Rd. w. between 216th St. and Carson St. is soon to be a reality, Councilman John S. Gibson announced yesterday.

Contract for the improvement which was instituted on a resolution by Gibson at the request of the Parent-Teacher Assn. and his Shoestring Strip Committee has been awarded to G. L. Fishbine, Inc., on a low bid of \$7,756. Of this amount, approximately \$3000 will be paid from public funds to extend the width of the roadway to match an existing improvement north of 216th St.

The low bid was the best of six received and was approximately three per cent lower than estimates. Work is expected to begin in about three weeks.

Army M/Sgt. Oro H. Larson, whose wife, Jane, lives at 233 S. Gaudalpe Ave., Redondo Beach, recently participated with other personnel from the Third Armored Division's 36th Infantry in a four-week field training exercise in Grafenwohr, Germany.

Larson, a platoon sergeant in the infantry's Company C, which is regularly located in Kirch Gons, entered the Army in 1940 and was stationed at Fort Ord before arriving overseas in July, 1960, on this tour of duty.

The sergeant attended Redondo Union High School. His parents, Mr. and Mrs. Eric G. Larson, live at 820 N. Lucia Ave.
