

## Former GOP Candidate Blasts Douglas Move

The proposed transfer of operations from the Douglas El Segundo plant was attacked from a new source yesterday as "a gigantic boon-doggle that will cost the taxpayers an unnecessary 10 to 20 million dollars."

This statement placed Tom Coffee, a 1960 Republican nominee for Congress in support of the machinist union, local municipal officials and merchants who oppose the move.

"There has been demonstrated no clear justification for this move, and you would not find Douglas wanting to go through with it if they had to pay for it out of their own pocket, instead of from the taxpayers' pockets," declared Coffee.

"It is ironic that the men layed off and the merchants losing business as a result, would help pay for this move through their own taxes. It's an unfair deal."

WITH REFERENCE to Coffee's stand, Fred O. Derouso, president of IAM Lodge No. 720, said, "We welcome all support in this matter that will effect so many."

Coffee called upon citizens to write their Congressmen opposing this move. "Alphonso

## Limelitters Hike ECC Ticket Sale

Ticket sales for the Limelitters Trio appearance at El Camino College Tuesday reflect a lively interest on the part of the students and the community.

Nearly one-half of the 1150 available tickets were sold during the opening days of sale. Gene Carson, manager of the El Camino Student store, where the Limelitters tickets may still be purchased, says that if the sales continue at this pace they will certainly sell out ahead of time with no tickets available at the door.

Bleacher seats are priced at \$1.50, while floor seats are \$2. The performance will be staged in the Women's Gym at 8:15 p.m.

## TARTAR TEEN TALK

by Frances Adams

"Sink The Sea Hawk" was the slogan for the smash button sale sponsored by the Tartar Ladies. The sale began Tuesday and ended Friday.

This year Torrance High is honored to have a girl from Norway as our exchange student. Her name is Aud Kleven and she was born on a farm in the Hegra Valley in Norway. She still lives on the same farm with her family.

In her country she attends Orkdal High School and her main subjects are English, German and French. She is fond of

all sports and is eager to learn all the different sports that we have.

She likes jazz and her biggest wish is to see Louis Armstrong and Ella Fitzgerald in a jazz concert.

I ASKED her what Norwegian teens thought of American teenagers and she replied:

"We really don't know too much about the American teen other than what we see in the American made movies and in most of these they are shown as tough characters in blue

jeans and a heavy sweater and always smoking a cigarette. But now that I have gone to school here and have gotten to know them, I find they are just the opposite. They are clean cut and neat and very nice."

Our Oct. 4 PTA meeting this year will be a "Back to School" night program. Parents will follow the six period schedule of their children to spend 12 minutes in each class.

A brief PTA meeting will be held in the auditorium and from there the parents will be dismissed to classes. Some of the items the faculty members will discuss are: goals and objectives of the course, course content, textbooks and materials used in classes and homework.

## CAPSULES OF THE coming week:

Sept. 26-27 — The Tartar Ladies are sponsoring a snocone sale in the shack.

Sept. 27 — The first home-room representative assembly will be held in the auditorium during the second period. The meeting will be conducted by the ASB vice-president, Earl Yanase.

Sept. 28 — Commissioner of group control, Pat Piercy, will hold a Inter-Council meeting. The purpose of the meeting is to promote better relationship between the varied clubs on campus.

Sept. 29 — Cross Country Invitational at Long Beach.

Sept. 30 — Varsity football — Inglewood — there — 8 p.m.
