write on the blackboard all day and ask you questions they already know the answers to. They spend their spare time grading papers and reading books so they can think up new questions to ask. They like to be able to sit down and read something just for fun, like the newspaper. In Torrance more teachers get their reading fun from the Torrance Herald than any other newspaper, because they like the pleasant news, features and ads. More janitors, chemists and salesmen do, too. And no wonder, for the Herald is out front by far in circulation (it provides the only audited home delivery solid coverage of the Greater Torrance area). You can count on more from the Herald because more goes into the Herald!

## Calvary Church Schedules Seven Special Events

Seven special events have been scheduled to take place Thursday through Sunday by the Calvary Baptist Church, 2818 Manhattan Beach Blvd.

Dr. William S. Christie, missionary promotion secretary for the Southern California Baptist Convention, will bring the message to the Day School Chapel service at 9 a.m. today. This will be Dr. Christie's first opportunity to address the boys and girls of the school who number over 200 in the kindergarten and the six grades.

Friday night a dozen Calvary Baptist church leaders will attend the South Los Angeles Area Vocational Evangelism training conference to be held at the Athens Baptist Church at 7:30.

THE CONFERENCE is designed to train local church personnel to lead other members in giving an effective Christian witness in their respective occupations. Occupational discussion groups will be a part of the program to carry the gospel out into the work-day world.

Also on Friday the Parent Teachers Fellowship of the Day School will sponsor a "Back to School Night" at the church beginning at 7:30 p.m. Mrs. Kathryn Isaacson, P.T.F. president, will preside at the meeting, after which parents will visit classrooms for a preview of activities for the year. The evening will close with refreshments.

THE THIRD annual Inter-Baptist Youth Day is scheduled for Holidayland in Disneyland Saturday from 8 a.m. to 5:30 p.m. Seven Baptist Conventions: American, California, Nisel, North American, Mexican, Southern, and Western are joining together in this great youth rally.

The theme will be "Oneness in Christ," with Dr. Jesse McNeill and Dr. John Lavender as principal speakers. The last two years attendances have averaged about 4000. Fifty from Calvary Baptist are planning to attend.

THREE IMPORTANT emphases will take place next Sunday. The pastor, H. Earl Kuester, will officiate at the observance of World Wide Communion Sunday. It will be Rally Day in the Sunday School with the goal to beat last year's tally of 500. It will also be the first Sunday in the October Attendance Advance, which is seeking perfect attendance on the part of the church membership for the month of October.

## Released Time Class Sign-ups Due This Week

The Board of Education has again made possible the offering of religious instruction to children in each elementary school in the Torrance Unified School District.
