College Dean To Give Lecture Series in City

"What is Truth," will be the theme of a Christ-centered lecture series by Dr. J. P. Sanders, minister and college dean, to be presented at the Redondo Beach Church of Christ, 6122 Pacific Coast Hwy., Dr. Warren S. Jones, regular minister of the church, announced today.

Beginning Sunday and continuing through Oct. 22, Dr. Sanders will be speaking each evening at 7:30 and each Sunday morning at 10:45.

When asked about the lecture series theme, Dr. Jones said, "All about us, religionists are offering what they assert to be the truth. At the same time people are groping in darkness not knowing the answer. We are made to inquire with Pilate, 'What is Truth?,' thus providing the theme for our lecture series. Truth never contradicts truth. Truth cannot be fabricated by man. Man can only discover truths that already exist," Dr. Jones concluded.

DR. SANDERS, author, co-founder and former editor of the "20th Century Christian" magazine, is dean of George Pepperdine College and professor of religion. He was dean of David Lipscomb College in Nashville, Tenn., for 14 years before moving to Southern California.

Commenting on the lecture series, Dr. Sanders said, "It was the purpose of Jesus to bring the meaning of infinite truth concerning the nature of the Kingdom of God down to the finite mind of man where it could be grasped."

"WE WILL discuss," Sanders continued, "in relation to the series theme, 'The Reality of God,' 'Can Opinion Change Truth?' 'Can There Be Conflict in Truth?' and other pressing contemporary questions."

Among the topics for the lecture series Dr. Sanders has chosen are "The Reality of God and Human Experience," "What Think Ye of Christ," "The Cross — God's Revelation of Truth," and "Christian Faith and Modern Knowledge."

Sanders will open the lecture series Sunday morning at the 10:45 worship service on Sunday.

IN ADDITION to his work as educator, Dean Sanders has served as minister in Sherman, Tex.; Nashville, Tenn., and locally in the Los Angeles area, where he and his family now reside. After graduating from Texas Christian University he attended Vanderbilt and the University of Southern California where he received his doctorate.

The public is invited to attend this lecture series and all other services of the church.
