wanted the city attorney to research the law to see if logical means could be found "to get rid of this."

AMONG THOSE supporting Isen's stand were commander Earle Sumpter of the American Legion; Jim Ree, Torrance industrialist, and George Heaton, industrialist and owner of Torrance's Pro-Blue bookshop.

"I resent anyone trying to downgrade the virtue of love of country," Ree said.

Heaton warned that "this country is in trouble if the people don't wake up to the dangers around it."

THE CONTROVERSY may have one tangible result: Richard Anderson, who identified himself as a member of Norman Thomas' Socialist Party, expressed disappointment at all the publicity his rival party was receiving, and said he would see to it that his party's publication, "New America," was put on the stands here in the near future.

On that note, the councilmen adjourned.

Metropolitan Conference Play Grows Warmer in Weekend Tilts

Three Metropolitan Conference football teams — Bakersfield, Santa Monica and Long Beach — remain among the nation's unbeaten and high-ranked junior college elevens as they prepare for second round conference commitments this weekend.

In the featured contest, El Camino, once-defeated but not in Metro play, travels to Bakersfield to keep a Saturday rendezvous with the Renegades. The Warriors have won two straight after their opening game loss.

THREE FRIDAY games are scheduled. Long Beach is at San Diego, Harbor College visits East Los Angeles and Valley College is the guest of Santa Monica.

All kickoffs are at 8 p.m. The eight Metro schools opened conference play last weekend explosively.

In a battle of unbeaten Friday at Harbor, Santa Monica had to overcome a 13-point deficit to prevail, 20-13.

At Long Beach's Veteran's Memorial Stadium, the fighting East Los Angeles Huskies gave the Vikings their toughest struggle of the year before they finally succumbed, 22-16.

BAKERSFIELD invaded Valley College and its vaunted offense was met by a stingy Monarch defensive crew that finally went under, 35-0. Meanwhile, host El Camino College knocked off San Diego, 28-20.

The Santa Monica-Harbor clash was one of the most thrilling in conference annals. The underdog Seahawks scored the first two times they had the ball to run up a 13-point lead on Santa Monica, then fell victim to some great passing by quarterback Rand Carter.

HARBOR TOOK the opening kickoff and marched 55 yards for the first tally, end Tom Martin spearing quarterback James Frazier's 10-yard pass for the score. A 50-yard drive, climaxed by a one-yard TD toss from Frazier to end Charles Cunnigan, produced the other Harbor six-pointer.

The aroused Corsairs rebounded for two second-period touchdowns on runs by Mark Augustine and Ron Heller and clinched the victory in the third quarter when Carter loosed an 18-yard TD strike to Howard Meadows. It was Carter's

seventh touchdown pass of the season.

For the second straight year, East Los Angeles gave Long Beach a tremendous run for its money before the Vikings were enabled to leave the field with their 13th straight victory.

LONG BEACH struck for all of its points in the first period on a pair of touchdown runs by fullback Lonzo Irvin and a 33-yard dash by halfback Dee Andrews, who also scored four points on conversions to run his point total to 52, tops in the conference.

During the game, Irvin blasted for 100 yards in 16 carries and Andrews racked up 122 in 16 attempts to boost his two-year total to 1,417 yards, a school record.

Meanwhile, the Huskies, who scarred Long Beach last year, 20-15, countered with 16 points in the third quarter on short plunges by halfback John Jones. Then the two teams battled right down to the final gun, both failing to consummate scoring opportunities in the last period.

VALLEY ROSE to defensive heights for the second week in a row to take the edge off Bakersfield's offense, which had amassed 119 points in two previous games. Last week the Monarchs held Glendale to a skimpy 22-0 victory and scoreless in the first half.

Against Bakersfield, Valley was grudging, but the Renegades offensive power couldn't be completely shut off and the visitors crossed the goal in every quarter.

Scoring highlights were two tallies by halfback Dick Jones, one a 33-yard thrust, and end Ed Witke's catch of a 22-yard aerial by quarterback Paul Franklin. Meantime, Bakersfield has yet to be scored on this season.

EL CAMINO cashed in a first quarter San Diego fumble for a touchdown and the Knights never could catch up in their close duel. El Camino scored on its first scrimmage play, Warrior Jim Allison pitching a 24-yard TD pass to end Mike Andrews for the only first-half points.

Both teams scored twice in the third period, that was highlighted by Allison's 88-yard kick-off return that set up Jer-

ry Thagard's smash for an El Camino tally. San Diego's touchdowns were spectacular. Don Holder raced 64 yards for one and Lewis Scott broke loose 39 yards for the other. Halfback Dennis Hearn put the game on ice for El Camino with a 33-yard TD scamper in the final period.

Reduced Bus Fare Plan Continued

The Board of the Motor Transit Authority has voted to continue the trial of a reduced fare program for senior citizens until Jan. 16.

MTA Board members approved the continuation following a report on senior citizen bus and streetcar riding habits and an announcement that additional activities in which the elderly can participate will be developed by Los Angeles County.

THE MTA engineering staff reported a greater number of bus and streetcar rides are being taken by the 53,000 senior citizens who have registered for the lower 15-cent fare, but riding by this group will have to further increase to compensate for the reduced fare.

The engineering report showed that unless the 53,000 registered for reduced fares take additional rides, the annual revenue produced by this group will be \$130,000 less than that required to break even with fewer rides at the regular 25-cent fare.

ART TRYON, executive director of the Los Angeles Senior Citizens Service Center, told the MTA the center's staff is establishing additional activities for senior citizens.

Tryon expressed hope these additional activities for the elderly will motivate further bus and streetcar riding.

MTA Board members Carl Miller and Martin Pollard moved to continue the reduced fare program and were joined by other Board members in urging establishment of additional programs in which senior citizens can participate.

THE REDUCED fare plan, which began June 1, was established by the MTA Board through the cooperation of Ernest E. Debs, chairman of the County Board of Supervisors.

Under the program qualified senior citizens, bearing identification cards issued by Los Angeles County, may ride on MTA buses and streetcars for 15 cents from 10 a.m. to 3 p.m. and from 7 p.m. to midnight on weekdays, from 7 p.m. to midnight on Saturdays and all day Sundays and holidays.

Paris Theme In Marymount Presentation

Melodies of the lives and loves of Paris will be featured when the popular team of Sven and Anne Reher present "An Evening in Paris" at Marymount College on Monday, Oct. 16, on the Palos Verdes Estates campus.

Viola recording artist Sven Reher is accompanied by his wife Anne on the program, who doubles at the piano and serves as a raconteur of the tales that make Paris the center of fun, fashion and sophistication.

Composers who combined the Champs Elysees, the Montmartre and the Seine with their wine, women and songs will be featured during the informal nostalgic evening. "Evening in Paris" will begin at 8 p.m. in the Student-Faculty Center.
