

TARTAR TEEN TALK

by Frances Adams

Thursday, Oct. 19, marks the end of campaigning for members of the freshman class. The elections on this day will open doors into future high school politics for some of these freshmen.

There is a total of 264 in the freshman class and from that sum there are 84 students running for offices.

The members of this class should show extreme pride in the enthusiasm that is being shown so close to the establishment of the class.

THE CANDIDATES are: Nancy Barnard, Sandra Fontaine, Janet Kimbrell, Douglas Kintz, Kay Roberts, Alvin Sasuga, Bill Valles, class president; vice president, Sandy Bell, Joan Cambon, Susan Dobrick, Robert Friedemann, Rebecca Goldstein, John Haig, Edith Javasiwica, Diane Johnson, Eric Jones, Ernest Millen, John McClure, Jack Trimble, Dennis Ugren; secretary, Gloria

Adams, Connie Eggleston, Sally Farley, Myrna Garcia, Nancy Heath, Ginny Hemans, Carol Johnson, Maryann McCusker, Randi McGraw, Pat Mortensen, Kathleen Murphy; treasurer, Fred Babb, Eddie Burger, Roger Carpenter, Janet Christain, Kupert Dodes, Rosemary Galaria, Carolyn Jensen, Dick Kelsey, Tommie McMahan, Pat Meyer, Dick Moore, Lynne Shelby, Ronny Phillips, Dana Wolinsky.

CASUAL DAY will be the first joint boys' and girls' league sponsored event of the year. The event takes place on Friday, Oct. 20. In order to be able to wear casual clothes students must purchase a 10 cent ticket.

Appropriate dress is: capri pants for girls and bermuda shorts for the boys.

CAPSULE EVENTS of the coming week:
Oct. 19 — Freshman elec-

Land Bought For Office

Land near the Redondo Beach and Hawthorne Boulevard intersection has been purchased by Marine Federal Savings and Loan Assn. for a new office.

Choice of the site was dictated by the trio of major arteries which border the land, according to Russell Chase, association president.

A **TEMPORARY** office will be established in a building shared with the Metropolitan Insurance Co. at 17000 Hawthorne Blvd. The association will occupy the entire south wing of the building which will

The representative from the University of Redlands will be here on Nov. 1.

be remodeled to suit the association's specific needs.

"Land purchased for the permanent office includes two prime parcels of land. One is the planned site of the new multi-storied banking building and the other will provide parking facilities for customers," Chase said.

Ronald D. Oland, active in a supervisory capacity at the firm's headquarters in Westchester, will head up the new office.

MARINE FEDERAL Savings and Loan Assn. now has offices in Torrance and Westchester. The association counts Lawndale as the logical place for the establishment of its third office, Chase said.

"The next decade is bound to see a cementing of purpose for the newly incorporated city of Lawndale and the need for a federal savings and loan organization was clearly evident to governmental authorities who granted permission for its establishment," according to Chase.
