MARY WELLINGTON GALE  
Lectures Here Sunday

## Church Slates Public Lecture Here Sunday

The stabilizing power of prayer will be brought out in a free public lecture on Christian Science to be given here on Sunday afternoon at 3 by Mary Wellington Gale of San Francisco.

A member of the Christian Science Board of Lectureship, Mrs. Gale will speak in the church edifice under the auspices of First Church of Christ, Scientist. Her subject will be "Christian Science: Its Stabilizing Influence in a Changing World."

A native of Belmont, Mass., Mrs. Gale was educated at Smith College and the University of Chicago. She was in the advertising business before entering the public practice of Christian Science. She has been an authorized teacher of Christian Science since 1952. She has lectured throughout the United States and Canada, in the British Isles, and on the Continent.

## Speech Course Starts Tuesday

Thomas Eadie, president of South Bay Toastmasters Club 280, announced that starting Tuesday a course on "Effective Speaking and Presentation" will be given at the Redondo Beach Elks Club.

Eadie said the course is open to the public. He extends a special invitation to men in the South Bay area who need speech training and don't know where to begin. Eadie explained that the course will consist of four talks given at successive weekly meetings.

Each talk will thoroughly explain basic requirements for speech presentation. The first talk will be on "Making A Speech" and will discuss speech organization with respect to the logical presentation of ideas in order to "make your point."

The second talk covering "Speaking With Gestures" will demonstrate how speaking can be enhanced by effective use of the hands.

The third program will be on "Chairmanship" and will use the actual participation of club members to illustrate the techniques used to guide and control a business meeting.

The final talk in the series will explain and show the importance of "Enthusiasm." It will show how a perfect speech has no meaning and carries no message unless it also has enthusiasm.

## Catholic Youth To Meet Here

The St. Catherine Labour Church in Torrance will be the scene, Dec. 10 through 15, of a mission for teenagers during the second week of Advent.

Topics will be geared to benefit the spiritual needs of teenagers, according to Rev. John P. Languille, Catholic Youth Organization, director. The event is under sponsorship of the CYO.

Invited will be teenagers from parishes in Gardena, Hawthorne, Hermosa Beach, Inglewood, Redondo Beach and South West Los Angeles.

With the approbation of His Eminence James Francis Cardinal McIntyre and as part of the CYO's four-point program, the mission will open at 7:30 p.m. on Sunday, Dec. 10 and close Friday, Dec. 15.

The program will be given the full support and cooperation of the Confraternity of Christian doctrine. Catholic students in public high schools are especially invited to attend.

HOURS: OPEN NITES TILL 9 P.M. • SATURDAY 9-6 • SUNDAY 9-5
