

'Teddy Chapel' Ready to Greet Guests Again at Local Theater

Ready again to greet guests at the Chapel Theatre, located in the Smith Bros. Shopping area, 4164 Pacific Coast Hwy., is "Teddy Chapel," the theater mascot.

"Teddy" is always dressed to fit the play being presented.

For the opening of Chapel Theatre, "Teddy" wore frills and feathers, befitting the French setting of the "Madwoman of Chailot." In the theater's second production since moving into the Walteria area, with the presentation of

"Green Grow the Lilacs," "Teddy Chapel" has donned a poke bonnet and gingham dress, as the ladies in the play are costumed.

THERE ARE many moments in Chapel Theatre, but the teddy bear mascot remains steadfast, though many times cast away, only to be reborn by some tender-hearted member of the theater's cast or crew.

"Green Grow the Lilacs" played to capacity audiences during the first weekend run when audiences enjoyed the rollicking, good-natured fellowship portrayed by the performers. There is no plot; rather, the author exhibits a wide area of mood and feeling in showing how these simple people of Indian Territory in the 1900s lived and played, while struggling to make a great America.

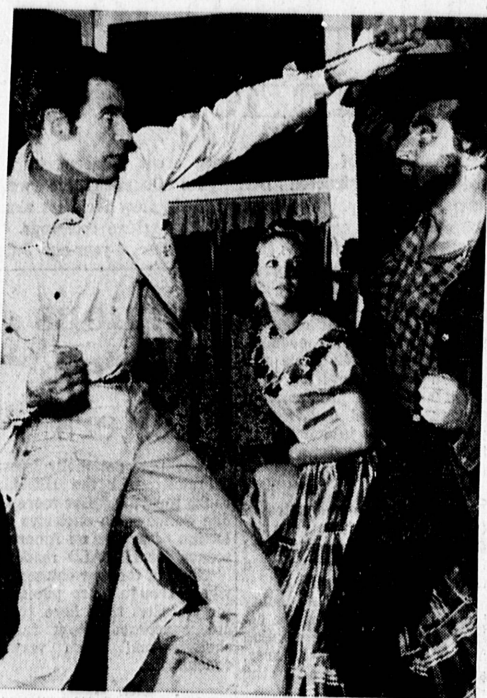

HIGHLIGHTS of the play occur in the big party scene when the chorus and principals

throw caution to the winds and go all out in a most happy, boisterous, and colorful scene. Not to be overlooked is the "Chivaree" scene, which makes for much excitement and intense drama.

There is nothing lacking in the way of entertainment as the play includes everything from comedy, singing, square dancing, to the villainy and love interest between Bob Adamson, Suzan Allin, and Phil DiGioia, who portray Curly, Laurey, and Jeeter respectively.

ON THE OTHER hand, there are Doris Ward, Larry Goebel, and Michel Colgan who portray Aunt Eller, the Peddler, and Ado Annie respectively, all adding gentleness, and comedy to this entertaining production.

Reservations may be made by calling the box office, FR 2-9636, or FR 8-9017, evenings for any of the next three week-end performances, with curtain time being 8:30 p.m. Friday through Sunday.

HERO VS. VILLAIN . . . Tense moment in "Green Grow the Lilacs," finds Curly (Bob Adamson), left, and Jeeter (Phil DiGioia) struggling before their mutual love, the fair Laurey (Suzan Allin). The play, which has plenty of comedy and lighthearted singing, is being presented at the Chapel Theatre on Pacific Coast Highway.

South High Students to Honor Vets

Public observance of Veterans Day has been scheduled for 11 a.m. Friday on the mall at South High School, it was announced here yesterday. Students and members of the faculty have invited the public to join the ceremonies.

Friday's program will be opened by the Rev. Hans Holborn of the Riviera Methodist Church. Eight Marines from the Fifth Communications Co. will form a four-man color guard and will lower the school's flag to half-mast while David Eden of the school plays "Taps."

After a minute of silence, the honor guard will fire a three-volley salute in honor of those veterans who have given their lives to complete the ceremony.

Remelmeier said he would probably complete his studies, and have a proposed ordinance for the Council in two weeks.

Equipment For Language Labs Voted

Expenditure of some \$27,000 has been approved by the Torrance School Board for foreign language laboratory equipment at the high schools, including the new West High School which is under construction.

Half of this figure, or about \$14,000, would be paid by the National Defense Education Act.

In other action, the board said it does not intend to relax the requirements for patriotic observances in the schools. Daily patriotic exercises in which the Pledge of Allegiance must be repeated and the National Anthem sung is required in local schools.

Use of Torrance High School auditorium by the Hi-Shear Corp., which plans on using it to hold a Christmas party for children of company employees, was approved. Various businesses and industries are afforded the same courtesy throughout the year, it was noted.

"Children Hospital has done so much for both our children," says Mrs. Yano. The cost of such long-term treatment would have been hard to meet, if the Chest-supported hospital had not come to our aid.

"We are so grateful. We thought that Gayle was not going to pull through. It's a great relief to us that she's now on

the road to recovery," Mrs. Yano said.

IN TORRANCE and other cities throughout the Los Angeles area, Community Chest is currently campaigning to raise funds to continue support of Childrens Hospital and many other charitable agencies serving the Harbor Area.

Eighty per cent of this year's funds will be allocated to children's health and welfare services. Hundreds of children from Torrance benefit from these services.
