You choose a perfect steak, chop or roast every time you shop in our market. You do so because Bill Kramer, our Meat Director, is a very careful man. He's very careful in selecting quality beef, and to him, quality means the animal is young, healthy, grain-fed—and fresh. He insists that your roast, steak and chop is trimmed BEFORE WEIGHING, so that you pay for only lean, red meat. You buy the very best—pay less—and save in our meat department everyday.
