Harbor City-Lomita Takes Lead At First Chest Report Meeting

A record crowd of 500 Community Chest volunteers from all Harbor Area cities attended the area report and luncheon meeting last week in San Pedro.

The banquet room was filled to capacity as workers and leaders gathered to hear results and the progress of the campaign to date.

The first report meeting for the area showed that Harbor City-Lomita leads all other cities and has pushed its cam-

paign over more than 100 per cent of its quota — the first city to do so in the 1961-62 Los Angeles Chest campaign.

VINCE BAUCHIERO, city chairman for H.C.-Lomita, reported \$2,669 — 136.67 per cent — had been raised. Goal set for H.C.-Lomita was \$1,953.

Torrance Chest leaders reported 59.84 per cent of their goal had been raised. However, at this stage of the campaign figures fluctuate as reports are still being tabulated as the campaign continues.

PRIZES awarded to Torrance Chest workers at the meeting were:

Mmes. Earl Moreland, section chairman, and Don Yockey, division chairman for

south Torrance, received a bracelet for receiving 100 per cent of their quota first.

First section chairman in North Torrance and the entire Harbor Area to reach 100 per cent of quota, Mrs. Alex Egnatuk, was awarded bracelet and earrings. Mrs. Conrad Jackson, division chairman for North Torrance, won a bracelet.

GENERAL Torrance section chairman, Mrs. Lawrence Derouin, received a bracelet for reaching 100 per cent of her quota first in that area.

A breakdown of the campaign's progress in other cities show:

Gardena, 47.13; Wilmington, 49.89; San Pedro, 42.47; Palos Verdes, 17.52; Rolling Hills, 14.45 per cent.

Unitarians To Observe Thanksgiving

Services commemorating Thanksgiving will be held at Pacific Unitarian Church with children attending the first portion of the service with their parents at the Miraleste School at 11 a.m.

The adult discussion group will meet Monday to discuss Taoism. The meeting will be held at the home of Fred Allen, 23 Eastfield Road, Rolling Hills.

HUMPHREY OWEN Wins Writing Award

Rivieran Cited by Newsmen

The \$500 Red Skelton Award for the best humorous story category was presented to Humphrey Owen, 120 Via Seville, during the fourth annual Greater Los Angeles Press Club's journalism awards program at the club headquarters last week.

Entries from Los Angeles area newspapers were judged in several categories by a panel of top newsmen from the National Press Club in Washington, D.C.

Owen, a by-line feature writer for the Los Angeles Times, served two years as president of the Press Club in 1957-59.

He and his wife, Paula, have resided in the Riviera section of Torrance for several years.

Bloodmobile in Town

All persons who made appointments to donate blood at the next Torrance community Red Cross bloodmobile are reminded by branch chairman George Post that the mobile is here today.

Blood donors may visit the mobile, to be stationed at the American Legion Hall, 1109 Border Ave., from 2:30 to 7 p.m.

Garden Checklist

1. All blooming bulbs, except the earliest Cape bulbs such as freesias, may still be planted.
2. Snails and slugs are active during cooler weather. Bait for them frequently.
3. Plant perennials. Nurseries have a good supply of flat-grown perennial seedlings this month.
4. Make a second planting of ranunculus and anemones. Staggered plantings will lengthen the bloom next spring.
5. Plant camellias for winter color. You can shop for them as they come into bloom, which means any time up to spring. Each week brings new varieties to bloom.

Bank Puts 391 Checks in Mail

At least 391 Torrance area families will have a little extra to begin their Christmas shopping, it was reported here by officials of the Security First National Bank.

That many checks representing \$152,250 in Christmas Club savings were mailed out yesterday by the bank, it was reported.
