City affairs, ranging from the civic center to planning for future church sites, were discussed last week as members of the City Council met with a dozen Torrance ministers for their annual breakfast meeting of the two groups.

Five of the seven members of the council attended the affair at the First Methodist Church in Torrance. Mayor Albert I. Sen described development of the civic center and expressed his hope to see the center developed as the focal point for the city's cultural activities.

Special thanks of the councilmen was expressed for the service to the city rendered by the Rev. H. Milton Sippel, pastor of the First Christian Church, a member of the city's Recreation Commission for several years.

Other comments included a suggestion that the city planners consider future church sites when planning city expansion, and a review of plans for development of the municipal airport.
