

## Stamps Asked to Purchase Robes for Choir Members

"Blue Chip stamps for choir robes" is the current slogan at the Western Avenue Baptist Church.

JOHN LONGDEN  
Here This Weekend

## Church Elder To Address Mormons

Elder John Longden, an assistant to the Council of Twelve Apostles of The (Mormon) in Salt Lake City, will be the featured speaker Saturday and Sunday, during a quarterly conference of the Church's Torrance Stake.

Conducting the conference will be Stake President Roland E. Gagon, 4 Cerrito Place, Rolling Hills Estates.

Sundays general sessions, to which the public is invited, will be held at 9:30 a.m. and 2 p.m., in the Torrance Stake Center.

Elder Longden was manager of an electrical supply company, and a Red Cross and Community Chest official when he was appointed to his church position in 1951. A Native of England, he had served the Church as a missionary and regional leader Saturday evening, special leadership and missionary meetings will be held.

Since most people are constantly being asked for money, the music committee and church officers have given the official go-ahead signal to begin the campaign to replace the faded, well-worn robes. This novel idea will enable many to help in the acquisition of new robes by dropping blue chip stamps in the box provided for this purpose. Loose stamps are being accepted as well as books.

Maynard Meader, music director, announces that in December the choir will be participating in the annual program at Disneyland. Also, on Dec. 17, the special program of Christmas music will be presented by the choir.

The Rev. Chas. T. Hughes Jr., pastor, has chosen his sermon topics for Sunday services in line with his current series. At the 11 a.m. service he will speak on the subject, "I Believe in the New Birth." The Sunday evening 7 p.m. service topic will be, "The World's Brightest Years."

The choir will sing, "Give Unto the Lord All Ye Mighty," by Van Woert, in the morning.

The evening music will be duets furnished by Mrs. James Mills and Mrs. Vern Baegen.

## PARENTS NEED NOT SUBMIT THEIR CHILDREN TO POLIO SHOTS AT SCHOOLS

Despite the passage of a bill imposing compulsory polio vaccinations on Calif. school children, no parent need submit their children to the shots if they do not wish to do so. The San Francisco chapter of the California State Health Federation reminded citizens today.

The bill AB 1940 which was passed during the 1961 State Legislative session, prohibits any student, minor or adult, from being admitted to a public or private school in the state without immunization against polio.

Exception is made, however, in the case of adult students or parents who object to the vaccination on the grounds that they are contrary to his or her beliefs. The objecting student, or parent if the student is a minor, may gain exemption from the new law by filing a letter with the governing authority of the school or school district stating that polio vaccinations are AGAINST HIS BELIEF.

In three states where compulsory immunization laws have been passed without such ex parte clauses, said Fred J. Hart, National Health Federation President, THE INCIDENCE OF POLIO HAS INCREASED 200 TO 300 PER CENT. The National Health Federation, Hart said, also opposes polio vaccinations because:

1. It has been found that the monkey kidneys from which the vaccine is made contains a virus WHICH CAUSES CANCER when injected into mice. See business week, June 17, 1961.

2. While the nation has been vaccinating 60% of the population with the Salk Vaccine, the percentage of victims of paralytic polio has increased from 25% to 76% of the total contracting polio. This means that paralysis of all, or part of the body, increased from 25% to 76% AFTER THE CHILDREN GOT THEIR SHOTS.

3. Polio vaccine contains penicillin and it has been established that about 10% of the people are allergic to penicillin, and

4. The polio vaccine contains formaldehyde, the effects of which is not yet known except THE FOOD AND DRUG ADMINISTRATION IS TRYING TO KEEP IT OUT OF OUR FOOD AND DRINK.

Those wishing further information about the local health federation chapter may write
