

## Speech Class Gets Wide Acceptance

Public interest in the course on "Effective Speaking and Presentation" has been most gratifying, said President Thomas Eadie at a recent meeting of the South Bay Toastmasters Club 280 held at the Redondo Beach Elks Club. The speaking course has been presented by the club for the benefit of men in the South Bay Area who are in need of speech training. Eadie said that an average of ten guests attended each of the training sessions and estimated that a total of 48

men have attended throughout the entire series. TO SATISFY the public interest in speech improvement evidenced by the increased guest attendance at recent meetings, Thomas Eadie announced the inauguration of a series of lectures on advanced "Speech Training" which will be presented after the holiday season. The "Prepared Speech" program for the evening was dominated by veteran speakers of the club. Fred Strible, Manhattan

Beach, presented an educational speech advising beginning speakers to "Exaggerate Gestures and Voice." Dr. Bill Labit of Walteria spoke on "Freedom From Fear." STANLEY LEVENSON, Manhattan Beach, a teacher in the Palos Verdes Estates school system talked on "Revolution in American Education." James Coyle of Hermosa Beach gave a humorous diatribe on why "Telephones Haunt Me." Robert Norland, El Segundo,

presented a short but program-winning speech on "Fear the Extremists." George Hasencamp, Palos Verdes Estates, won top honors in the impromptu Table Topics session. Army Specialist Four Barry L. Williby, son of Mr. and Mrs. Walter H. Williby, 1630 W. 266th St., Harbor City, an automatic rifleman in Company A of the division's 18th Infantry in Baumholder. He entered the Army in February 1960, completed basic training at Ft. Ord, and arrived overseas the following July. The 20-year-old soldier is a 1960 graduate of Narbonne High School.
