

Three Torrance residents were among a group of 70 southern California Naval Air Reservists who returned home last week after a two-week whirlwind tour over three continents.

The local residents are Lt. Cmdr. Ralph A. Baxter, 5410 Garol Dr.; Lt. Cmdr. Richard J. Lange, 107 Deford St.; and James V. Trosper, aviation machinist's mate 1/c, 2421 178th St. They were part of the Los Alamitos Naval Air Station squadron VR-772 which covered 23,000 miles on the North American, European and African continents.

under the command of Cmdr. John E. Stevenson of Alhambra, relieved regular squadron VR-24 at NAS Port Lyautey, Morocco, in support of the Mediterranean Sixth Fleet.

IN 14 DAYS the Los Angeles area civilian crew breached the winter Atlantic to deliver a \$100,000 cargo of medical supplies and Christmas gifts to charitable organizations abroad; reunite service families for the holidays, and carried tons of Christmas mail from service men stationed throughout the Mediterranean theater.

Angelos firms, were flown to Rota, Spain, and Kenitra, Morocco. The cargo left in Kenitra will later be transported to numerous new African nations. For their own families, the men of VR-772 had an opportunity to Christmas shop in Naples, Rome, Gibraltar, and the Azores.

ON A SPECIAL Christmas note, Arthur "Beau" Beaumont, celebrated Naval artist, traveled with the squadron on special assignment for the Navy to capture Christmas naval scenes on his canvas.

Alamitos, along on the flight to observe operations, this was far more than a successful training mission. Said he: "A rare opportunity due to timing, to display the need and value of our air reservists. The opportunity was more than fulfilled."

Airman 3/c Warren C. Crow Jr., whose parents live at 5017 Merrill St., has been named distinguished graduate of the United States Air Force supply inventory specialists course at Amarillo AFB, Tex.

Airman Crow is a former employe of North American Aviation in Los Angeles.

Architect, Engineer Open Office

Meek, Eardley and Associates, architects and engineers, recently opened offices at 1611 Crenshaw Blvd. The firm, operated jointly by Harold L. Meek and John K. Eardley will provide complete architectural and engineering services.

Meek, a 1957 graduate of the University of Illinois, holds a bachelor of science in architectural engineering. He is married, has four children, and lives with his family in Hawthorne.

Eardley, a 1950 graduate of the University of Arizona, holds a degree in civil engineering. He and Meek have been employed in both field and office work in their fields. Eardley is married and has three children. The family lives in Torrance.
