TUSD Costs Per Pupil Below County Average

Officials of the Torrance Unified School District this week received a report on costs of education per pupil in the Los Angeles County unified school districts. The report, prepared by the County Division of Budgets, showed costs in Torrance to be an average of \$70 per pupil lower than other districts.

the cost for the TUSD was \$390.17 per student. Transportation and food service costs in Torrance are slightly higher than county averages, but

most other categories are lower. Most significant of the categories, instruction, accounted for most of the lower figure.

Board President Bill Hanson said that despite the lower figure, "we are still striving to make additional savings where possible."

Average cost per child for the county was \$460.93, while

Thomas W. Ferrer, airman, USN, son of Mrs. Mary Wright of 22718 Gulf Ave., returned to San Diego after completing a 3½-month cruise around Cape Horn while serving with Attack Squadron 115 aboard

the attack aircraft carrier USS Kitty Hawk.

The Kitty Hawk, world's longest ship (1,047½ feet), visited Rio de Janeiro, Brazil; Valparaiso, Chile; and Lima, Peru, during the cruise. The squadron, which flies

Douglas Skyraider attack bombers, is scheduled to be stationed briefly at the Miramar Naval Air Station near San Diego before moving to a new home at the Moffett Field Naval Air Station, Mountain View, Calif.
