des Estates campus. Leading roles for the dou-ble cast for matinee and even-ing performances will be played by Jeff Rensch, John Vanderlip, Mary Griffith, Scott Shelley, Lee Stern, Robin Carl-son, Wendy Vanderlip, Pam Stern, Chuck Lande and Tim-othy Stere.

David M. Link has been appointed to the new position of Sales Manager of Clauser Technology Corp., here, it was am nounced today by Dr. Milton U. Clauser, president. Link was previously with the Sales Department of Hewlett Packard Co., Palo Alto, and prior to that was with Melpar, Inc., Boston.

She brings to the sick the warmth and friendliness so important to their recovery and rehabilitation. She supplements the regular hospital staff, freeing them for essential services that only they can give.

This is a volunteer hospital worker.

A volunteer's duties are many and varied. She provides extra hands for non-professional services in nearly every department of the hospital. Dependent on her talents and preference, she may entertain patients, wheel and groom them - bring the outside world to shut-ins. With the children, her efforts may include parties and special treats, like a surprise for a lost tooth. Volunteers work in admitting, research and nursing offices; help in physical and occupational therapy.

The volunteer program is a vital part of the hospital. Without it, many valuable services could not be carried out. It provides an opportunity for members of the community to contribute in time and service as well as through financial donations. Individuals interested in participating in the well-planned and worthwhile volunteer activities at Torrance hospitals should contact: Harbor General Hospital, Mrs. Marguerite Broen McAllister, FAirfax 8-2380; Little Company of Mary, Mrs. Margaret Bailey, FRontier 2-7505; Riviera Community Hospital, Mrs. David Dickey, FRontier 7-1146; Torrance Memorial, Mrs. Lucille Butt, FAirfax 8-1131.

The volunteer programs in Torrance hospitals are another reason why we of Mobil are glad to be a part of this community.

TORRANCE-a good place to live and work.
