Voters Have Month To Register Here

A reminder to voters: deadline for registration for the general municipal election April 10 is Feb. 15. And April 12 is the last day you may register to vote in the direct primary election to be held June 5.

There are six classes of persons who should register or re-register for the coming elections. These are: those who have changed addresses since they last registered; those who have changed their names; those wishing to change political affiliation; voters whose registrations were cancelled because they did not vote at the 1960 general election and who have not re-registered.

Also, those who have become of age and have not registered, and new residents of Los Angeles County who will have the required qualifications by the date of the election.

★ ★ ★
THESE LATTER requirements are: one year residence in the state; 90 days residence in the county; 21 years of age; a naturalized citizen who has been a citizen for at least 90 days prior to the election date (he must show naturalization papers to the deputy when registering for the first time).

In addition, all voters must be able to read the English language and sign their names. They must not be disqualified to vote because of a felony conviction.

Persons may register at the City Hall, 3031 Torrance Blvd., from 8 a.m. to 5 p.m. Monday through Friday. Or, they may register at the homes of field deputies in their neighborhood during reasonable hours throughout the week, including Saturdays and holidays.

Field deputies qualified to register voters are:
