'Love' Theme Of Sunday's Lesson-Topic

The connection between loving one's fellow man and knowing God will be emphasized at the Sunday services in all Christian Science churches. The subject of the Lesson-Sermon is "Love." The Golden Text is from Jeremiah (31:3). "The Lord hath appeared of old unto me, saying, Yea, I have loved thee with an everlasting love: therefore with living kindness have I drawn thee."

The sermon will include these citations from I John (4:12, 13, 16, 17). "If we love one another, God dwelleth in us, and his love is perfected in us. Hereby know we that we dwell in Him, and He in us, because He hath given us of His Spirit... God is Love; and he that dwelleth in love dwelleth in God, and God in him. Herein is our love made perfect, that we may have boldness in the day of judgment; because as He is, so are we in this world."
