

## BOOK FAIR BENEFIT SCHEDULED FOR RETAIL CLERKS UNION HALL

Mrs. Lloyd C. Cook, 3806 Via Palomino, Palos Verdes Estates, recently met at Lomita Street School in Lomita with officers of Family Service of the Harbor Area to make final plans for a "Book Fair" and tea to be held in the Retail Clerks' Hall in Harbor City. The benefit affair is scheduled for Sunday afternoon, March 4, from 2 to 5 p.m.

Mrs. Cook emphasized, "Family Service is a community agency that helps families to help themselves." Agency headquarters are at 1427 S. Pacific, San Pedro; and Mrs. Henrietta Wilhelm is the social case worker.

Working with Mrs. Cook in planning for the March 4 benefit are Mrs. Evalyn Sullivan, book displays and book sales; Mrs. Homer Price and Mrs. Richard Groverman, tickets; Mrs. Arthur C. Akerson, refreshments; Mrs. Jane Rye, decorations; and Dr. Thelma Barnes, publicity.

Assisting also will be Mrs. Edna Hagerty, Miss Frances Dastarac, and Mrs. Ruth Ervin, all members of the Advisory Council of Family Service of the Harbor Area.

## Scouts Honor Chief Parker

Los Angeles Chief of Police William H. Parker was installed as president of the Los Angeles Area Council, Boy Scouts of America, Tuesday.

He received Scouting's traditional President's lapel pin from Robert P. Strub, council president in 1961.

Fifteen hundred adult Scout leaders were on hand for the Los Angeles Area Council's 47th annual meeting, held at the Hollywood Palladium.

Chief Parker has been active in Scouting for 40 years, including membership on the Council Executive Board, and served last year as first vice president.

"As Chief of Police in Los Angeles," he said, "I have rarely seen a boy who has been active in Scouting for over a year, who is also in serious trouble with the police."

"This is a remarkable record for Scouting."

Chief Parker believes that "as responsible adults, we must teach our young people to conduct themselves in conformity with certain basic regulations, and instill in them a sense of moral values—a conscience you might call it—and we must teach them self-discipline."

"Scouting teaches a boy these basics of responsibility, duty to God and country, and a sense of moral values. Scouting gives a boy what he needs and wants—a standard to live by!"

In accepting the responsibilities of president of the Los Angeles Area Scout Council, Chief Parker said that his 40 years in Scouting were one of the best investments in time, interest and money that he had ever made.

"Dad, this is Kent... he's on the gym team!"

## Torrance Firm Elects New Jersey Man to Post

Richard A. Anderson of Madison, N. J., was elected vice president and general manager of Pharmaceutical Vending Corp. in Torrance, according to an announcement by President Robert N. Avery.

Avery said Anderson, former vice president for Bristol Myers Corp., one of the largest drug manufacturers in the United States, will be chief executive officer with headquarters at the firm's New York office.

Pharmaceutical Vending made its first public offering in April 1961. It is engaged in the manufacture of Kup-Pak sanitary drinking cups and vending dispensers. The Kup-Pak, a new invention, provides two 5-grain aspirin tablets hermetically sealed to preserve full strength and a detachable sanitary drinking cup in one single convenient package.

"Wide acceptance of this unique polyethylene packaging is already indicated," said Avery. "This acceptance will be materially increased by the benefit of Anderson's experience in pharmaceuticals, packaging, sales, organization, and administration."

Avery said one of Anderson's first duties will be to meet with national vending operators.
