KEN MILLER

Ken Miller Opens Bid For Votes

Torrance Planning Commissioner Ken Miller today officially opens his campaign for a seat on the city council. Miller said his campaign will be based on his belief that Torrance voters are seeking "independent, responsible leadership for their city council."

Torrance is growing and growth brings problems, Miller said. It has some now; more are due in the future. Decisions are going to have to be made on the basis of what is best for the city and its citizens rather than for a favored few, he said.

Miller is a well-known realtor and civic leader. In addition to serving on the planning Commission, he is area chairman for the current Red Cross campaign. Miller also is a member of the local American Legion Post, Elks Lodge, Kiwanis, and Chamber of Commerce.

The council candidate has been a director for four years and is a past-president of the Torrance-Lomita Board of Realtors.

Miller was born and raised in Torrance. He attended local elementary schools and is a graduate from Torrance High School.

Following service with the U.S. Air Force during World War II, he attended Occidental College where he received his bachelor's degree. Miller followed this with post-graduate studies at the University of Southern California where he obtained his California teaching credential.

Miller, his wife, Judy, and their three children — Jimmy, Cathy, and Randy — live at 20514 Amie Ave.

Charm Class Being Offered

Alondra Regional Park will offer a six weeks class in weight control, charm and fashions.

This class is open to all women 18 years or over and is designed to give hints on clothes, make-up, hair styles, etiquette and other pertinent information helpful in keeping with the trend in fashions. Also it is designed to give help in weight and figure control.

The class will meet Saturdays at 12:30 p.m. in the activity building, 3850 Manhattan Beach Blvd. This class still has open registration at the class meeting Saturday.

Speaker Picked

Steve Brown of Torrance High School was named top speaker in the annual Optimist Club oratorical contest this week. Speaking on the topic, "The Creative Force of Optimism," Steve was declared winner over Mike Jones of North High and Steven Fischer of South High.
