### Narbonne Coed May Go Abroad to Study

Nancy Loy, daughter of Mr. and Mrs. Leonard Loy of 25404 Feijoa St., Lomita, has been selected by the New York office of the American Field Service as one of the 2,500 young high school juniors who will be eligible to go abroad for a summer or semester of work, study, and travel under the Americans Abroad Program of the two-way international scholarship program of the field service.

Contingent upon Miss Loy's final acceptance will be the number of families overseas who will be available for the program. Some of the appointments may not be announced until shortly before the end of the current semester.

IN THE meantime, Miss Loy is being congratulated by friends and family for the honor this selection involves, for it means she has passed several screening processes including academic, personal, and emotional qualifications of a high order.

Miss Loy's school, Narbonne High School, and the Harbor City Lomita Chapter of the AFS have been raising funds for the students who are to attend Narbonne from overseas next year (1962-63) as well as the students who may go overseas during the summer of 1963.

The two AFS students currently attending Narbonne are Teenat Tauqir from Pakistan and Slavador Gisbert from Spain.

### Mrs. Boggs to Direct Torrance Cancer Drive

The appointment of Mrs. Warren Boggs as American Cancer Society residential crusade chairman for Torrance has been announced by Mrs. Rex Hume of Hollywood Riviera, area residential crusade chairman. Mrs. Boggs will organize the society's annual door-to-door fund-raising and education crusade which will take place this year from Saturday, April 7 through Monday, April 9.

"More than one-third of the money we raise in our annual crusade is a result of our residential drive. We are pleased that Elizabeth Boggs will be our local chairman. With the enthusiasm and experience she has, I'm sure great strides will be made towards our goal," said Mrs. Hume.
