Members of the Little Company of Mary Hospital auxiliary are invited by Mother M. Patricia, and Mother Lucy, honorary president of the auxiliary, to view an important film in the tea room of the hospital at 2:30 p.m. on Sunday, March 4. The film titled "The Dedicated" shows the objectives and the true function of a large hospital.

A Board meeting of the auxiliary will be held in the doctors' library, at the same time, 2:30 p.m., Sunday, March 4. Discussion of plans for a Basque dinner-dance on May 12 at the Plush Horse will be on the agenda. Mrs. Frank H. Forester, president of the auxiliary, will be presiding at the board meeting.

The Palos Verdes Peninsula Committee of the Children's Hospital was formed in 1957 by Mrs. Richard Learned for the sole purpose of raising funds for the hospital. The membership has been increased from 12 to 40 members in the past five years. For the past two years, the committee's donation to the hospital has been one of the top amounts given by any contributing group.

Under the Peninsula Committee's sponsorship, the Portuguese Bend National Horse Show has become outstanding on the Pacific Coast major circuit of accredited horse shows. With 620 entries last year, it was by far the largest two-day show ever to be held in the West. Most of the top exhibitors and champion horses of the Southland were among those who competed before more than 10,000 spectators.

Plans for the 1962 Portuguese Bend National Horse Show are being made now, with many innovations and improvements being planned to accommodate the record number of entries and spectators expected this year.
