Conductor Has Busy Schedule

Dr. Roger Wagner, head of the music department at Marymount College in Palos Verdes Estates and founder of the internationally known Roger Wagner Chorale, has quite a time sandwiching his concert dates between his regular campus assignments.

He will be the guest conductor at the American Choral Directors' Assn. meetings in Chicago on March 14 and 15, presenting the combined choirs of the University of Illinois and the University of Chicago in a program at the Conrad Hilton Hotel.

ON MARCH 18, he will direct the choirs of northern and central California junior colleges and high schools in concert at the Oakland Civic Auditorium.

Dr. Wagner has accepted an invitation to be a guest pianist at the first annual Diocesan Music Workshop in Fort Worth, Tex., on March 24 and 25, during which he will also conduct a demonstration choral program.

ON APRIL 3 he will present the Roger Wagner Chorale of 150 members in a concert at the Pasadena Civic Auditorium, marking the seventh time that this well known group has appeared there.

The Wagner Chorale records for Capitol, and appears regularly in programs at the Hollywood Bowl and with the Los Angeles Philharmonic Orchestra.

Volunteers Sought for Fund Drive

A call for additional volunteers was issued today by the American Cancer Society's District 8 office. Mrs. James R. Friend, residential Crusade chairman for the local district, said that between now and April 1,500 additional marchers will be recruited for the society's house-to-house cancer crusade.

The drive is scheduled for the weekend from Friday, April 6, through Monday, April 9.

The society's April Cancer Crusade has two main purposes — to raise funds for year-around programs of cancer research, education, and service to cancer patients, and to acquaint the public with life-saving information about cancer.

"Anyone wishing to sign up as a participant in the house-to-house march may call the district office at OR 2-8148 or my home, FR 8-3945," said Mrs. Friend.

"Approximately 600 volunteers already have been signed up for the house-to-house drive," Mrs. Friend said.

"Some of our most enthusiastic volunteers are those who had had personal experience with cancer and understand the importance of being on guard against it," she declared.
