**Glendale Votes to Hike Rate**

Glendale Federal Savings and Loan Assn. will pay a 4.75 per cent dividend rate to its savings customers retroactive to Jan. 1, it was announced today by J. E. Hoef, the Association's president and board chairman.

"Because of our efficient operation, we have had a very healthy first quarter. We are delighted to pay this new rate to our savings account holders for this quarter as well as for the second quarter," Hoef said.

"This act of keeping faith with our customers should assure them that we shall continue to pay the highest prevailing rate consistent with sound organization within the industry in this area," Hoef added.
