LIFE'S LIKE THAT By FRED NEHER

"Here's a bill that doesn't belong to us... It's marked 'PAID'!"

Army Pfc. Russell D. DeFields, son of Mr. and Mrs. Adelbert J. DeFields, 1411 Crenshaw, recently completed a spoken German course conducted by the 2nd Quartermaster Group in Germany. DeFields is a draftsman in Headquarters Detachment of the group's 35th Quartermaster Battalion in Ludwigsburg. He entered the Army in September 1959 and arrived overseas in May 1960. The 20-year-old soldier is a 1959 graduate of Torrance High School.

Your toddler's food gets the "head chef" treatment

Gerber Junior Foods, like all Gerber Baby Foods, get the undivided attention of specialists who are wise in the ways of what toddlers will like. Constant inspection and testing for flavor, color, texture and nutritional values go on all through preparation. (Matter of fact, your toddler's food gets at least 28 checks from start to finish.) Seasoning is added with a knowing touch, to please little palates. The texture is evenly minced and always uniform... just right for tots who are learning to chew.

Extra-special care of this kind is part and parcel of the regular Gerber scheme of things. For when it comes to babies... mothers and Gerber agree... it's quality first.

Babies are our business... our only business!
