National Supply Donates \$500 to Red Cross Drive

A long-time tradition of support for community service agencies by employees of National Supply Division, Arco Steel Corp., was continued this year with a \$500 contribution to the American Red Cross.

"The majority of our 582 employees authorize regular monthly payroll deductions of \$1.50 a month and up to assist charity organizations," explained Robert L. Goodale, sales order clerk for National Supply and chairman of the employe voluntary giving plan.

Fourteen different local service agencies are expected to receive funds from National Supply employes in the coming year.

"A budget committee of four members meets regularly to review needs of various organizations and decide on the extent of assistance possible," Goodale stated.

KNOWN IN the early 1900s as Union Tool Co., this Torrance firm became National Supply Co. in 1963. It is presently a division of the parent Arco Steel Corp.

Four hundred and sixty-three persons are active members of the employe donation group.

"Our employes have donated \$98,000 to organized charities since 1952," was the proud announcement made by Goodale.

The firm's active employe "group blood account" with the Red Cross Blood Program has resulted in release and use of 1,189 units of blood, thus saving employes and their families close to \$30,000.

"We've heard of a place where everyone is guaranteed full employment... no labor disputes... no political turmoil... and the climate is uniform the year round. Sound wonderful? It's Siberia." — Robert O. Gauger, Whitehall (Wis.) Times.

Expect Full House For Chest Awards

A capacity house is expected at the sixth annual Harbor Area Community Chest awards and installation dinner, 7 p.m., Thursday, March 22, at the Plush Horse Inn, 1700 S. Pacific Coast Highway, Redondo Beach, James Visceglia, Harbor Area chairman of the Community Chest board, said this week.

"Awards to generous givers and honors for volunteers for their part in the 1961 campaign will be presented," he said.

"THE BRONZE plaque award will be given to those Harbor Area employe groups that pledged at least 1/4 of one per cent of annual payroll to the chest and firms will receive awards for generous corporate contributions," Visceglia added.

All volunteer leaders — section, division, and residential chairmen — who obtained 100 per cent of quota will be honored for their part in the successful Harbor appeal that raised more than \$100,000 for 170 causes.

AREA TROPHIES for best performance in various campaign divisions will be presented to winning volunteers.

Ed Corbin, vice president, Security First National Bank, a leading Chest volunteer, will install officers elected at last month's board meeting.

The Harbor Area annual meeting is open to the public. Price of the dinner meeting is \$3.00 and additional information may be obtained by calling the Harbor Area Community Chest Service Center, Terminal 3-5527 or SPruce 5-1896.

Ner Tamid Congregation Names Rabbi Wechsberg

Rabbi Bernard Wechsberg will become fulltime spiritual leader of Congregation Ner Tamid, it was announced here yesterday by President Norman Rosen. He will begin his duties April 1, President Rosen said.

A public reception for the congregation's new leader has been scheduled for Sunday, April 3, from 2 until 5 p.m. in La Casa Verde, Grandview community center, 27867 Hawthorne Blvd., Rolling Hills.

Rabbi Wechsberg was born and educated in Germany, and began his rabbinical career in the United States as Rabbi of the Highland Park Temple. He has served in Denver and Chicago since that time, going to Denver in 1940 and Chicago in 1946. He recently returned to Los Angeles and is now making his home here.

Services of the congregation are held at the Redondo Beach Women's Club, 400 S. Broadway.

Adult education classes in Hebrew are being planned by Rabbi Wechsberg beginning in April.

Army Pvt. William J. Rowan, son of Mr. and Mrs. William J. Rowan, 24411 Madison St., recently was assigned to the 82nd Airborne Division at Ft. Bragg, N.C.

Rowan, a cannoneer in Mortar Battery of the division's 501st Infantry, entered the Army in June 1961 and completed basic combat training at Ft. Sill, Okla.

The 17-year-old soldier is a 1961 graduate of South High School.
