Dance Company to Perform At El Camino on April 7

Gloria Newman and her dance company will perform in the El Camino College Campus Theater April 7 at 8:30 p.m. with an accent on the light "Funtastic" called "Choreographic Explorations in Modern Dance."

Miss Newman, narrator, lecturer, and dancer, is also a dance instructor. She studied with Martha Graham and other leading dance artists in New York City.

The choreographic dance lectures of this group are well known in this area, the group having performed at the University of California at Los Angeles, the University of Southern California, and at several Los Angeles junior college programs and at physical education events.

AMONG NUMBERS planned is "Five Vignettes," based on Israeli Folk themes; the "Last Flower" by John Strauss, was written by James Thurber, one of the greatest American humorists.

The original music score was created by Leonard Bernstein for the "Trilogy," a dance in three sections.

"Scherzo" is a humorous composition by Gertrude Rivers Robinson. The dance group consists of Pamela Marlow, Stella Matsuda, June Tsukida, Don Bondi, and Carol Warner.

MISS WARNER was in the

Tickets, now on sale in the college bookstore, are \$1.50 for the public, 75 cents for students with student activity cards.

Berry Pickers Needed Soon On Area Farms

Weather permitting, the strawberry harvest season is expected to start in the Torrance, Gardena, Welteria, and Dominguez area about April 1.

Several hundred qualified pickers will be needed in this area. Growers prefer men and women who live locally and who will try to stay on the job until the end of the season, normally the end of July.

Strawberries are a highly perishable crop and must be picked at just the right stage of maturity. Workers in this activity must be willing to work long hours and work Sundays and holidays.

The job of picking and sorting according to size and quality is not hard or heavy, but it takes several days to become accustomed to working in a kneeling or stooping position all day long.

The prevailing wage in the local area is \$1 per hour, and private transportation is needed to get to nearly all of the strawberry fields. Anyone interested in this work should apply at the Torrance Farm Labor Office, 1308 Cravens.
