New Accessories

Spring invites the exciting extra touches of gay accessories. This season they highlight the feminine feeling of fashion with soft new designs that accent the figure and flattering parfait colors. There are more frills and ruffles on little cover-up jackets. New tops fit over the front and have a fluttery look at the back.

Swirling Skirts

If you are a fan of the swirling skirt fashions, then you will want to wear the continuing-popular, all-in-one pantie-stockings. These give a long-limbed look and add smart notes of grace and comfort.

Lush Cashmeres

Lush cashmeres in soft, lovely shades create stunning new casual wear for spring. Sweaters and suits in cashmere this season feature tunic styling in longer lengths, intarsia motifs and designs, scarf trims.
