

Realtors Announce Speaker

Ernest George, president of the William E. Doud Co., California's second oldest statewide realty brokerage firm, will address the Torrance-Lomita Board of Realtors Wednesday, Forest G. Beyrer, executive secretary, announced yesterday.

George will discuss "Exchanges and Taxation" at the noon meeting which will be held at 22833 S. Arlington, Torrance.

"There is a great potential in the untapped exchange market and taxation field for brokers, buyers and sellers," George said.

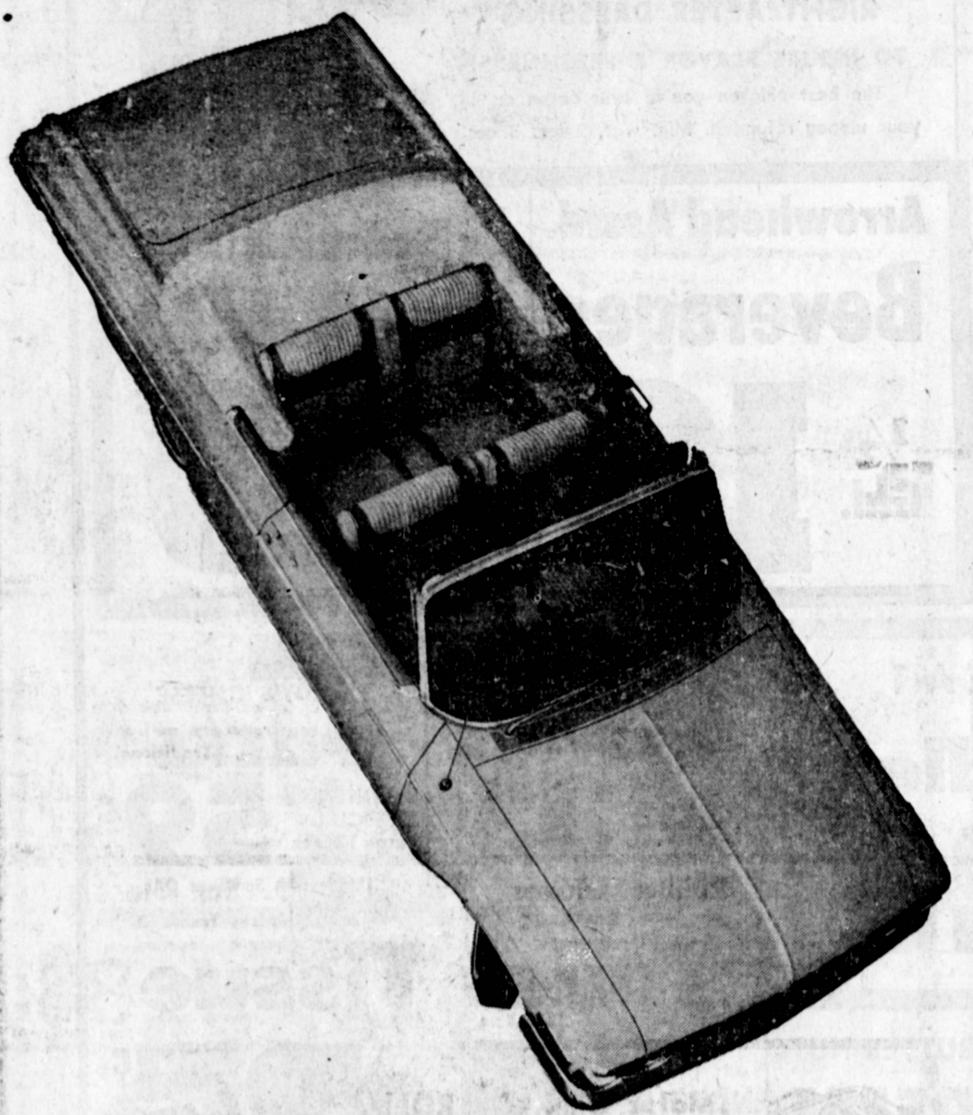

"This form of real estate transaction offers tax shelter for those selling higher priced properties. It also offers buyers properties for lower cash investment and gives brokers incentive to encourage exchanges thereby stimulating our economy," added George.

Pastel Stockings

Spring fashion, with shorter hemlines, reveal a lot more "leg." This, of course, will call attention to stockings in delicate pastels and the many different opened-up shoe styles.
