HERE NEXT WEEK... Crafts 20 Big Shows, featuring the Sky Wheel, will be at the Rolling Hills Plaza, Pacific Coast Highway and Crenshaw Boulevard, from April 18 through April 22. The Sky Wheel is the world's tallest double Ferris wheel, standing eight stories high. Other rides and attractions for young and old will be offered along with the Sky Wheel. Admission to the grounds will be free and rides will be half price with coupons available from participating merchants in Rolling Hills Plaza.

All Income Must Be Reported on Tax Form

It's important to be sure that you have included all income in your 1961 Federal income tax return. Donald A. Thulin of the San Pedro Internal Revenue office reminded taxpayers that interest on savings accounts and U.S. savings bonds, tips and profits on sales of real or personal property are taxable income.

"We've heard of an employer who doesn't hesitate to double the weekly pay check as he places it in the envelope. He folds it." — James P. Howard, Albany (Ore.) Greater Oregon.
