Thinclads Run Tomorrow On Mt. San Antonio Oval

Only two Torrance athletes remain in the running for CIF spike titles tomorrow night at Mount San Antonio College. Cee pole vaulter Gary Barron, a North High product, and Torrance 660 ace Larry Parker will be the sole local representatives in the 50th annual CIF Finals tomorrow night.

The first running events get under way at 7:30 p.m., but the Bee and Cee field events will open competition at 6 p.m.

MORE THAN 100 schools are expected to be represented in the battle for the team title, with close to 250 struggling for individual recognition. More than 10,000 seats are available at the St. SAC oval, located in Walnut.

Parker is entered in the Bee 660, making the finals after surviving the preliminaries and semifinals. The Tartar sophomore ran a full second under his previous best in making the finals.

PARKER STREAKED the distance in 1:24.1 to erase his old school record and take second in his heat. The winning time, the fastest recorded this year, was 1:23.9.

Coach Joe Sarthou, Parker's mentor, believes he has the "confidence and ability" to run under 1:23.8.

Barron made the finals with a leap of 11-6 and his coach, Howard Smith, feels he has the potential to go over his best of 12-0 and take the event.

DISAPPOINTMENTS ran rampant for local athletes in the semifinals on Saturday at Compton High.

South was hit the hardest, failing to qualify hurdler Chuck Hansen, pole vaulter Chuck Smith or the 660 relay team.

Hansen, out three days with the flu prior to the meet, came back to set a new school record in the 70-yard high hurdles with an 8.8 effort, but finished third in his heat and was eliminated.

RUNNING INTO the wind in the 120 lows, Hansen came through with a 13.4 clocking, only to again wind up third.

Varsity pole vaulter Smith, competing since the Bay League preliminaries with a sprained ankle, finally was eliminated, going out at 12 feet.

The Spartan relay combo of Jeff Fleenor, Bob Dobbie, Hansen and Lance Bennett ran just .1 of a second off their best time, but failed to place with a 1:08.1 clocking.

TORRANCE WAS also disappointed. Ivor Sampson tied the school record in the Bee 1320, hitting the tape in 3:17.3, but could manage only a fourth. The old mark was set by Dennis Hanson in 1958.

George Ojard unleashed a 54-4 effort in the shot put but failed to make the finals. Ojard had a put of over 55 feet but fouled on the throw.

Top Horses Go Saturday At Hollypark

Saturday marks the first of Hollywood Park's four \$100,000 stakes with the mile and one-sixteenth Californian expected to draw such top stars as Alberta Ranches' Four-and-Twenty and Rex Ellsworth's strong tandem of Olden Times and Prove It.

The Californian has been one of racing's most interesting and coveted stakes since its inception in 1954. Such greats as Swaps, Imbros, Porterhouse, Social Climber, Hillsdale and Fleet Nasrullah have won the event.

IN ADDITION to Four-and-Twenty and the Ellsworth aces, who have already won six hundred-granders between them, this year's Californian will include other top handicappers.

Aldershot, Cadiz, Prenupcial, Windy Sands, First Balcony, Sparrow Castle, Micarlo, Grey Eagle, Notable 2nd, Macdan and Turin are among those nominated.

Sandwiched between the two races will be the \$10,000 Junior League Purse at six furlongs tomorrow.

Lifeguards Hold Surf Adventure At Pier Avenue

"Going My Wave," John Severson's 1962 color surf adventure, will be presented today, tomorrow and Saturday at 8:30 p.m. in the Pier Avenue Auditorium in Hermosa Beach.

The Los Angeles County Lifeguard Association is sponsoring the adventure program. Featured in the film is the giant surf of Hawaii, including the thunderous, booming Banzai Beach.

THERE IS also a guided tour around treacherous Kaena Point as well as shots from Australia where surfers nonchalantly take to shark-infested waters to battle the thumping beach breaks and the dreaded Fairy Bower surf.

New Zealand, Peru and California round out the ambitious hour and a half of action and laughs.

John Severson records another shot on his recent 'round-the-world surf tour. Severson is the noted lecturer, photographer and surfer from Dana Point. He produced "Going My Wave" which will be seen at Pier Avenue Auditorium this weekend.

El Camino Finishes Tenth In State Golf Tournament

Matching its previous best, El Camino College captured a tenth place in the State Golf Tournament on Monday to end its best season in history.

Already boasting the Metropolitan Conference dual match and medal play championships, the Warriors carded a four man, 36 hole total of 649 to finish tenth behind winner San Mateo.

Breaking the junior college record by 10 strokes, San Mateo recorded a 593.

MENLO WAS second at 605, as Pasadena (615), College of Sequoias (623), Santa Monica (628), Chaffey (630), Santa Ana (630), American River (632), Fresno (636), San Jose (646) and El Camino pushed for the title.

Dan Titus shot the top score for the Tribe, a 152 effort. Steve Hallberg finished in 160.

Dave Scott, 166, and Dennis Drury, 171.

LARRY SPRENGEL, representing El Camino only in the individual competition, shot a 166 and finished out of the money.

San Mateo's Tom Brigham carded a 72-73-145, only one stroke over par, to grab the individual crown. Vic Hayek, from Pasadena, pushed for top honors with a 74-72-146.

AL PRYAL, Menlo, was third, after a playoff with Hayek in 71-75-146. Trailing were Jerry Pruss, Pierce; Dick Lotz, San Mateo; Augie Silver, South Western and Steve Cooper, Santa Monica; all shooting 147s.

Chaffey's George Allan shot a 148 and Titus carded a 152 to wind up in the low medalists.

Santa Ana Faces Keggas Tomorrow

Entering into their third week of play, defending West Coast Slo-Pitch Association champs, the Tappa Keggas, entertain the Santa Ana Bombers tomorrow night at Holy Glenn Park in Hawthorne.

The park is located at 135th and Isis in the airport city. It is the Kegs home game, but the site had to be changed due to other recreational scheduling for Torrance Park, the regular home site.

League play so far has proved close with several surprises. Leading the list of shockers is the South Torrance Knight Owls, not highly regarded at the beginning of the season, but now just one game out of first place.

THE KNIGHT OWLS are

 Tappa Keggas 5, Hawthorne 4
 Knight Owls 11, Hawthorne 4
 El Monte 6, Santa Ana 1
 El Monte 6, Santa Ana 5

ted for second place with a 3-1 record, behind the Tappa Keggas, who are coasting along in front with a 4-0 mark.

Tied with the South Torrance squad is Hawthorne with an identical record. Composed of several outstanding players from Chicago, home of sol-pitch ball, Hawthorne is led by catcher "Tiny" Mitchell, a 280-pounder.

MITCHELL IS second in size to Santa Ana manager Ted Kaminsky, who tips the scales at 340 pounds.

The Gardena Bulls, yet to nab a win, are composed of ex-semi pro and professional ball players. The El Monte Blackhaws, boasting a 2-2 mark, are a veteran team of five seasons and forced the Keggas into an extra inning contest in the first game of the year before falling.

Tordena Opens Year

Three games were played Saturday at North High as the Tordena Colt League opened its season.

In an oddity, none of the losing teams managed a run. The Tigers beat the Senators, 4-0, the Braves shutout the Dodgers, 4-0, and the Pirates waylaid the Angels, 11-0.
