## Banker Promoted

Torrance resident Michael Joyce has been promoted to operations officer at Bank of America's Lomita branch.

Joyce, who lives at 18414 wilton Pl., has been assistant operations officer at the bank's Hawthorne branch for the past year. He began his banking career in 1956 as a teller at Lawndale and the following year began an intensive officer training program. Upon its completion he was assigned junior officer duties at the Manhattan Beach branch.

seed pots. Remember that picking the blooms encourages continued bloom. For a more attractive shaped plant, cut just above an outside bud if the plant has an upright growth pattern.

Resist the temptation to remove foliage from springblooming bulbs until it has definitely died back.

Garden Checklist

1. Remove dying blooms from roses before they form

be planted anytime. Your nurseryman can advise you which variety will serve your needs best. Use a manure mulch on Hibiscus and water the plants frequently. They love the rich soil and moisture which is native to them in the tropics. Amateur seedsmen can try growing perennials such as columbine and delphinium from seed sown this month or next. The plants will bloom next year.
