MODEL NEW FALL COATS . . . Ruth Kelloway and Millie Mooney model some of the new fall fashion coats that are included in the J. C. Penney Coat Caravan. The coats will be on display and sale at the Del Amo Center store during Penney's 60th anniversary sale. The caravan arrived last Friday and will go back under wraps after this showing. DANCER PAR EXCELLENCE . . . Mrs. Iva Conrad, 22600 S. Normandie Ave., is pictured with her instructor, Jerry Derickson, after receiving a bronze medal for dance proficiency at the recent Medal Ball at the Hollywood Palladium. Only a few of the thousands of students that take lessons from the Arthur Murray Studios each year win the bronze medals.

Culminating a two-month training and duty period, approximately 600 Los Angeles County Junior Lifeguards will receive their awards and special recognition today at County Beach Lifeguard Headquarters, 1101 Strand, Redondo Beach.

The big event for the junior lifeguards will begin at 9 a.m. with the staging of the "Junior Lifeguard Taplin Races" on the beach in front of the headquarters building, according to County Supervisor Burton W. Chase.

THERE will be a potluck supper at 6 p.m., at headquarters, with parents and friends swelling the attendance to as many as 1,800 persons. The dinner will be climaxed with the awarding of trophies at 8 p.m.

Since June 18, the Los Angeles County Department of Parks and Recreation has conducted its Junior Lifeguard program at Zuma Beach, Hermosa Beach, Manhattan Beach and Redondo Beach. The Redondo Beach program was divided into two sections.

There will be an "overall outstanding" award for the top ranking boy from each of the five classes. Identities of the five winners will not be announced until the actual presentations on Sunday evening.

ALL OF the enrollees who were able to qualify during the first two weeks were presented with official "Junior Lifeguard" patches which they have displayed on their trunks since then.

The Junior Lifeguard training program, for boys 10 to 16 years, has been sponsored by the county for several years. This year's participation of 600 youths is the highest enrollment record, exceeding last year's total of 200.

The Junior Lifeguards live in various areas of the county, but the majority of them are from the Southwestern area.
