Merit Carson Units Open

Rated high on the luxury level is the model apartment being shown daily at Merit Carson, Maple and Carson streets. The 78-unit own-your-own apartment community reportedly is the largest to be built in the area.

The two and three-bedroom, one-and two-bath apartments are priced from \$15,900 to \$19,700. Buyers receive a grant deed and a policy of title insurance as in the purchase of a home.

Apartment owners are subject to two restrictions: no children under 16 years, and no pets are permitted.

Features included in the purchase price are birch cabinets, carpeting over 50 sq. pad, and vinyl floor covering in bathroom and kitchen.

Placement Office at El Camino Finds Jobs

Six hundred and twenty-two part time and full time jobs were found last semester for El Camino College students through the college placement office, Mrs. Alma Spector, placement secretary, announced this week.

A variety of positions have been offered including medical assistants, sales clerks, tutors, typists, artists, cooks, space suit testers, welders, waiters and waitresses, television servicemen and others.

Local and nearby businesses and industries of the college district and Southern California area are being used to the service by calling Mrs. Spector and requesting students with the needed skills for temporary or permanent employment.

IT IS THE purpose of El Camino College's placement office to assist current and former students in securing a job when financial aid is needed for college or family responsibilities," Mrs. Spector explained.

"Students best qualified are notified and asked if the job is acceptable to them and an interview is arranged with the prospective employer," she said.

A permanent file of all those who have applied in the past or did not keep their class schedule up-to-date is also kept.

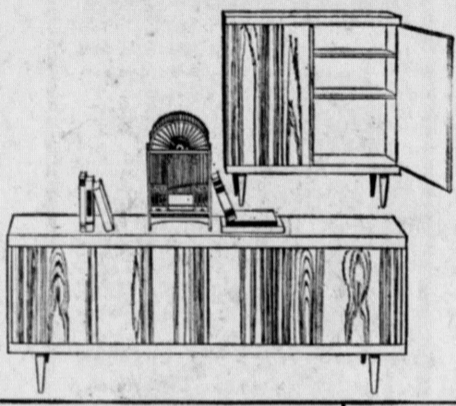

The college placement office may be reached by calling Mrs. Spector at DAVIS 4-6631, ext. 251.
