Turkey Is Featured in Fancy Menu Dress

Plentiful turkey has a bright look and delicious flavor when served with a fruit topping and sauce. It's refreshing and delicious to serve for an important patio dinner party.

Accompany this honey-fruit version of turkey with baked stuffed potatoes, a molded vegetable salad with spicy soy dressing, minted green peas, corn sticks and for dessert a cranberry chiffon cake.

TURKEY, FRUITED STYLE

1 (4 to 7 lb.) turkey
1 cup white wine
1 #2 can crushed pineapple
Cloves and nutmeg to taste
¼ cup honey

Cut turkey in halves or quarters. Brown pieces in hot fat in large frying pan. Transfer to baking dish, adding wine.

Cover and bake at 375 degrees for 45 minutes to 1 hour or until turkey is done and tender.

Heat crushed pineapple with cloves, nutmeg and honey. Pour fruit sauce over turkey for the last 15 minutes of cooking. Serve turkey garnished with fruit such as sliced oranges, grape clusters, banana sections or peach halves.

SPICY SOY DRESSING

2 tsp. soy sauce
½ tsp. all purpose seasoning
1 tsp. ground marjoram
½ tsp. finely chopped garlic (if desired)
1 tsp. chili sauce
½ tsp. thyme
½ tsp. Tabasco sauce
¼ cup wine vinegar
1 tsp. prepared mustard
1 cup mayonnaise

Blend all ingredients together thoroughly. Chill and let stand one hour.

CRANBERRY CHIFFON CAKE

Hollow out hole of baked chiffon cake to circumference of canned cranberry sauce. Open can of cranberry sauce and slide whole contents into hole of cake. Cover cake with whipped cream and sprinkle chopped nuts as a topping.

Dessert Inspiration

A real dessert inspiration is this easy Banana-Walnut combination. Just quarter ripe bananas lengthwise, then cut in about two-inch sticks and roll in finely chopped California walnuts.

Arrange on a dessert plate and top with either a chocolate sauce, butterscotch or marshmallow sauce sprinkled with more chopped California walnuts.

Barbecue Treat

Marinate cube steaks or thinly-sliced round steak in teriyaki sauce. To make sauce, combine: 1 cup soy sauce, ½ cup sugar, 1 tbs. instant minced onion and 1 tsp. grated ginger root.

Pour over meat and marinate 2 hours or more. Broil over charcoal or in broiler about 5 minutes on each side. Serve on burger buns.

Borateem Is New Laundry Mate for All Homemakers

NEWEST PRODUCT ON THE grocery store laundry product shelf is Borateem, the activated 20 Mule Team Borax. This improved product teams time-tested borax with an effective new ingredient and is designed to check odor-causing bacteria and when combined with soap or detergent to give brighter, cleaner and softer laundry.

America's favorite diaper and laundry conditioner product for over 70 years, 20 MULE TEAM Borax, is being replaced on the laundry product shelves by an improved borax product called BORATEEM, the activated 20 Mule Team Borax, announce its makers.

While retaining all of the ingredients that made 20 Mule Team one of the nation's top laundry conditioners, U.S. Borax research scientists have teamed time-tested borax with an effective new odor-causing bacteria fighter, they continue.

This when used with soap or detergent gives laundry lasting odor protection even while it is being used or worn.

Cleaner, Brighter Wash

When BORATEEM is used with a detergent the result is a cleaner, brighter, softer and lastingly deodorized laundry, according to U.S. Borax.

The odor-causing bacteria fighter in this unique product assures long lasting protection and becomes more effective each time BORATEEM is used in the wash.

A U.S. BORAX spokesman reported that the development of BORATEEM grew out of many years of technological research while the company looked for ways to improve 20 MULE TEAM Borax.

Soil Suspender

A special soil suspender and an "optical brightener" added to the product makes it possible for all laundry to be cleaner, whiter, brighter, softer and fresher.

Considered a major innovation in the home laundry field, the improved product is guaranteed safe for the most delicate fabrics. It will not fade or alter stable colors, they concluded.
