

# North Gridders Bid for Initial League Win

## Torrance Meets 'Toughest Foe'

### Stunning Micohi Beckons Saxons

Smarting from an unearned defeat by Redondo in the Bay League opener, North High will take out its animosity on suddenly potent Mira Costa tomorrow night on the Mustang's field. Redondo, ranked high among league elevens, came within seven seconds of being whipped last Friday.

### Hawks Eye Loop Win In Opener

Ending its practice slate on a winning note, Harbor College will start Western State Conference grid play tomorrow night on the Seahawk field against surprisingly strong Pierce College.

The Seahawks scored a close 8-6 victory over the Oceanside-Carlsbad Spartans Saturday night.

A 25-yard pass in the first quarter from quarterback Ray Jones to end Charles Cunningham gave Harbor six points. The same combination clicked again for a two-point conversion.

THE OCEANSIDE score came on a blocked punt in the third quarter.

Coach Joe Berry picked Hawk quarterback Ray Jones as the outstanding player on the field.

### Long Runs Pace Vikings In Victory

Led by fullback John Cook, the Torrance Vikings whipped the Torrance Oilers 19-0 in a Pop Warner Peeewe Division tilt on Sunday.

Cook reeled off scoring runs of 34 and 19 yards and also passed to Jack Hase for a 54-yard tally. Viking standouts on defense were Bard Virgil, John Cook, Terry Smith, Jack Hase, and Dale Zackmeyer.

Demonstrating they are again one of the standouts in the South Bay Conference, the Palos Verdes Lancers rolled over the Torrance Mustangs 32-7 in another Peeewe Division contest.

THE LONE Mustang score came on a short pass from Tom Maxim to David Ambriz.

In a Midgid Division game, the Torrance Chargers earned a 27-6 decision over the Lawndale Buccaneers. Tailback Bill Peres tallied on a 60-yard run from scrimmage for the longest score of the tilt.

PEREZ ALSO blocked a Buccaneer punt which his brother Dick scooped up and carted 30 yards for a score. Ron Stone and John Reynolds played outstanding games on both offense and defense.

In the only other game on tap, the Torrance Blue Devils, of the Junior Bantam Division, lost 22-0 to the Manhattan Beach All Stars.

### SEARS TO RECOGNIZE TOP STARS

Sears, Roebuck and Co. of Del Amo Center has initiated a program to select the top grid performers from the four Torrance high schools, Redondo, Bishop Montgomery, and Banning high schools.

Ballots will be printed on the Herald sports pages every Thursday so spectators may cast a vote for the top athlete of the game played the previous weekend.

Ballots will be mailed, or brought to the Del Amo Sears where they will be counted and recognition given to the top gridders from each school every week.

At the end of the year, Most Valuable player from each school will be selected by coaches and local sportswriters. Late in November, a Sears-sponsored banquet will give final recognition to the weekly winners and the Most Valuable players.

With time all but gone, the Seahawks blocked a North punt and fell on it in the end zone for the game-winning touchdown. The final score was 19-16.

QUARTERBACK Norm Dow and Tackle Paul Harmon were named by Saxon Coach Ed Lavy as the top North players of the game.

Levy praised Dow for his ability to call audible signals at the line of scrimmage and credited Harmon with playing the finest game any North lineman has played in a "long, long time."

DESPITE the disappointing defeat, caused partially by North's week layoff, Levy feels the team has gone through the week of practice with a good attitude.

The Saxons will encounter a squad picked to finish in the middle of the league pack. The Mustangs seemingly are not content to do so as evidenced by their stunning 7-6 win over defending circuit champ Inglewood last week.

MUCH LIKE North, Micohi runs from a Wing-T with the ends split. Running the attack will be quarterback Al Branderburg, up from the Bee squad. Anchoring the veteran-studded Mustang line is center Wes Dever.

Mira Costa will not make the same mistake Redondo did—underestimating North.

Although the Saxons were also selected to finish midway in the circuit, the performance of several junior linemen has been cause for hope in the Saxon camp.

### Milk Bowl Lures NHS

Rating the game a toss-up, Narbonne football mentor Elmer Douglas feels his team has its best chance of winning all year against Bell in the annual Milk Bowl game tomorrow.

Sponsored by the Parent-Teachers Association, the contest will begin at 2:30 p.m. on the Gaucho's gridiron.

Bell, from the Eastern League, is in the rebuilding stage and broke a 27-game losing streak in the opening tilt this year with a win over Belmont.

Three changes have been made in the Narbonne attack. Steve Stanley will take over at quarterback, Bob Brooks at left half, and Bob Acero at fullback.

READY FOR JUNK YARD . . . They are off and running Sunday at 8 p.m. at Western Speedway when 50 cars will be completely demolished in a five-event Destruction Derby program. Drivers will be out to wreck each and every car in the program on the Gardena speedway. Also on Sunday, at 2:30 p.m., the California Jalopy Assn. stock cars take to the speedway. On Saturday night, the stockers also move into the spotlight for the Fall Championships.

### Spartan Eleven Encounters Defending Loop Champs

Still seeking its first football win following two disappointing defeats, South High runs up against defending Bay League champ Inglewood tomorrow at 8 p.m. on the Torrance High gridiron. Leuzinger, a darkhorse candidate for league laurels, forced the Spartans to open the opening game of the season for 'South, it dropped a 25-18 decision to Long Beach Jordan.

LEUZINGER took advantage of 11 Spartan penalties to post its third win of the year.

A jumpy line and overeager backs halted every South drive in the first half while Leuzinger rolled up its 19 winning points.

THE LONE Spartan tally came in the opening period, but not as a result of a sustained march. Halfback Bob Woodrum zipped 80 yards in the first quarter to give South its touchdown.

South coach Dave Tollefson felt, "We beat ourselves, but you can not take it away from Leuzinger. They played a good game."

EARLIER in the season, Inglewood had definitely been counted out as a repeater for the loop crown. The Sentinels immediately proved they still have some of the old spark left by clipping Mount Carmel and Torrance.

Last week however, the Inglewood bubble burst as Mira Costar hung on to a 7-6 win.

RUNNING from the Spread-T, the Sents run from a line bulwarked by senior tackle Jeff Fox, a 205-pounder.

### WEST JELLING Warriors Optimistic For Barstow Game

Optimism runs high in the West High football camp this week as the Warriors prepare for Saturday's home contest against a single-wing Barstow eleven.

The 8 p.m. contest will be played Saturday on the North High field.

West head coach William Parton feels, "This may be the week."

THE WARRIORS have suffered three straight defeats without scoring a point. Parton says his team has

"Ironed out the offensive problems and we will score against Barstow."

"WEST IS 20 percent improved over last week's game," Parton believes.

St. Francis, a team Parton describes as "lean and hungry" and the "best team we have met," took a 39-0 win from the Warriors last week.

GOOD PASSING appears to be the keynote of Barstow's unbalanced single wing attack, according to Parton.

### Aviation Huge Obstacle To Tartar Title Hopes

Although the season is still early, tomorrow night may decide Torrance High's chances of bringing home the Pioneer League grid crown. Aviation, always a rugged opponent for the Tartars, lures Torrance into battle at 8 p.m. on the Falcon field. THS coach Irv Kasten expects the tilt to be the roughest of the year for his club.

Torrance huffed and puffed its way to its first win of the season last week, taking a 31-0 victory from Beverly Hills in the league opener.

HARRY BROWN, the top Tartar scorer against the Normans with two tallies, is still a doubtful starter against Aviation. Brown was forced out of the Beverly contest with a pulled muscle above his knee.

After capturing the league crown for two successive years, the Falcons dropped to a third place tie last year. Inexperience in key spots on the line will probably knock Aviation out of the title picture once again.

AVIATION is due for a win against Torrance. For the last two years, dreams of an unsullied league championship for the Falcons have been ended by Tartar victories.

TWO YEARS AGO, Torrance boosted itself into a tie with Aviation for the crown with a 21-6 win. Last season, THS earned a 26-13 decision to ruin the Falcon's hopes of repeating as crown-bearers.

Joe Burton, possibly the best halfback in the league, will be the key to an Aviation win.

HOPING to halt the Falcon

attack will be THS linemen Bruce Hendrix, Joe Solis, Bob Sonju, and Junior Gomez, defensive standouts in the Beverly Hills contest.

### BIGGEST CONTEST Lasuen Opposes Knight Gridders

"It is our biggest game of the year." Bishop Montgomery opens the El Camino Real League grid season tomorrow night against Fermin Lasuen in what, according to Knight boss George Swade, will be the roughest test of the year for BMHS.

Lasuen is favored to capture the league crown and then continue on to the CIF "AA" division championship.

BOASTING a 3-0 record, Lasuen has whipped St. Monica Serra, and Thousand Oaks. According to coach Swade, they boast a big team with two great tackles and an

outstanding fullback. The contest will be played at Daniels Field on 13th Street in San Pedro.

INJURIES may play an important role in the contest. Fullback Dick Carbajal is down with a pulled leg muscle. The flu has taken halfback John Wojak and Fred Raganti, and second-string fullback Ron Wilson, out with a bad knee, may not return for two weeks.

In their last contest, the Knights were handed a 25-13 licking by San Gabriel Mission. Montgomery was flying high for the game, since the previous week it had handed Mount Carmel a 7-0 licking.
