

EL CAMINO BOWL HOPES GO ON BLOCK

With the faint smell of roses in the air, unbeaten El Camino attempts to scale its first big Junior Rose Bowl plateau Saturday night when the once-whipped Bakersfield gridders come to town.

Game time is 8 p.m. and a sell-out throng of 10,000 is anticipated for the Murdock Stadium clash. Three thousand bleacher seats will be erected for the game and tickets will go on sale the night of the game at 6:30 p.m.

Scoring in each of the four periods Saturday, El Camino's balanced attack completely blew San Diego out of Balboa Stadium.

JOHN TOROK, rounding back into shape after a two-week layoff, tossed two touchdown aeriels, a 15-yarder to Herb Hinsche and an 11-yarder to Mitch Malpee, and scored himself on a one-yard keeper.

Hinsche, chosen Co-Player-of-the-game with defensive star Ernie Reid, also snared a 15-

yard bomb from substitute QB Howie Taylor.

EL CAMINO'S other scores came on two-yard runs by fullback Bill Kelley and half Gene Fay.

Bakersfield, after a smashing 43-6 victory over powerless Los Angeles Valley, enters the Warrior battle with a 4-1 record.

RENEGADE coach Ray Newman saw six different gridsters plow goalward against

Valley. He is blessed with one of the deepest squads in Metro history.

In their 1961 clash, Bakersfield had to stage a second quarter comeback to pull out a 34-14 decision.

RIDING high-and-handsome following three devastating victories (50-0, Fullerton; 69-0, Southern Utah, and 35-0, Valley), the "Gades sat stunned as an inspired Camino eleven fought back and quickly held

a 14-7 lead.

But Newman's powerhouse clawed to capture the lead, 15-14, at halftime, and coasted the rest of the way.

THE tradition-filled battles show Bakersfield with an 8-6-1 series edge, but many are tabbing Saturday's game a toss-up.

Bakersfield's behemoth line, anchored by 6-2, 264 pound center Larry Martin, averages 223 pounds per man, while El

Camino's midget musclemen average about 190 per man.

THE RENEGADES' backfield has Cliff Kinney at quarterback, Art Robinson and Terry Craven at halves, and sensational George Mendibru at fullback.

Kinney is spelled by crafty Bob Kahana, and Mendibru is often replaced by returning letterman Bill Patterson.

EL CAMINO'S stingy de-

fense, which has allowed only 33 points in five outings, played at its peak against San Diego.

Jarring tackles and clutch pass interceptions only added to the night of frustration for coach John Kovacs.

FOLLOWING the Bakersfield biggie, Ken Swearingen's charges travel to Veterans' Stadium where they attempt to scale another hurdle — Long Beach.

Possibly the finest club in the Metropolitan Conference, Jim Strangeland's Vikings are spearheaded by fullback Homer Williams, an almost "shoo-in" for League Back-of-the-Year.

North Seeks Second Straight Loop Victory

THS Puts Title Ambitions on Line

Defending Champs Invade Saxon's Field

Specializing in games decided in the final seconds, North High takes on defending Bay League champion Inglewood tomorrow at 8 p.m. on the Saxon gridiron.

In their last two contests, the Saxons have won and lost in the final seconds. Against Redondo, in the loop opener, North dropped a 19-16 decision in the last seven seconds.

The picture was reversed last week against Mira Costa as the Saxons wound up on the happy side of a 6-0 count, scoring with only 20 seconds left in the fracas.

INGLEWOOD was counted out of the race before the season started, but in recent games, the Sentinels have shown they will have to be beaten before their crown can be taken away.

Then Sents have whipped by Mt. Carmel, Torrance and South High, faltering only against Mira Costa.

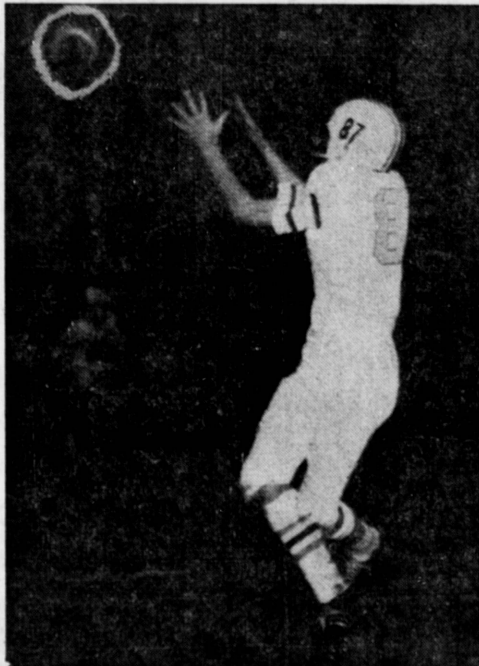

AS NORTH found out last week, losing to Michoichi is certainly going to be no disgrace this season.

The Mustangs offered a line described by North boss Ed Levy as "brutal."

TWO SAXON starters are out because of the rugged Mustang eleven. Guard Cliff Specht will be out the rest of the year with a broken collar bone and tackle Paul Harmon, one of the top North linemen, may miss the Inglewood tilt because of an injured foot which has been slowing him down in practice.

Coach Levy feels the Inglewood offense is better than Mira Costa's, but believes things are reversed when it comes to defense. Levy points out that the Sentinel line is big and good, but not better than Michoichi's.

TWO NORTH starters who missed the first half of last week's game will be back in action this weekend. Quarterback Norm Dow, injured thumb, and fullback Doug Ball, flu, are both ready to go.

Injuries Hit Tartars For Crucial Meeting

Injury-riddled Torrance will see what its Pioneer League title chances really are tomorrow night as loop-leading El Segundo comes to town for an 8 p.m. engagement. Two key Tartars are on the shelf. Defensive backs Don Coil and John Ricci are both improbable starters. The duo intercepted four passes between them last week as Torrance scuttled Aviation's title-ship by a 19-12 margin. Unfortunately for Torrance, El Segundo's big force in its offense is passing, Pat Padgett, a second string all-leaguer last year has a pair of dandy ends to hit.

VETERAN all-league flanker Larry Sligar is back and Bill Baker, considered better than Sligar by the coaches, holds down the other end position.

Tartar coach Irv Kasten feels "El Segundo can do more things than we can. We expect them to throw a lot, though, because our defensive line play has been good."

"OUR ONLY bright spot is that we play at home," Kasten concedes.

El Segundo has also been touched by injuries. Right tackle Joe Campeau will not start in the contest. Filling in for the injured lineman will be

Sligar, a 190-pounder.

UNDER NEW coach John McHargue, the Eagles will run from a Tight-T with flankers. El Segundo had a 3-6 mark last year, good for fifth place.

However, the Eagles have 12 lettermen returning and McHargue says, "We believe we can win it all; it is up to the others to knock us off."

Spartans Engage League Favorite

When a football team is losing, every game is tough. Friday night, winless South High will encounter an especially rough foe in the form of Bay League pre-season favorite Hawthorne. Game time will be 8 p.m. on the Cougar gridiron.

Hawthorne has a loss to powerful Pacific and a tie with Redondo to mar its record this year. South is less fortunate, having dropped decisions to Long Beach Jordan, Leuzinger, and Inglewood.

Things are looking up in the Spartan camp, though. For one thing, South is healthy — no injuries are reported by head coach Dave Tollefson.

PRACTICES have been good at South with the green line finally beginning to hit hard. Backs are no problem at SHS with Jerry Mann and Bob Woodrum, halfbacks, and quarterback Tim Roettger shouldering the load.

The Spartans will need all of their assets to halt Hawthorne.

AVERAGING OVER 185 pounds per man, the Cougar line is big, and it moves. Passing is a Hawthorne forte with senior quarterback Bill Daquila doing the pitching. Daquila's ends, a pair of 185-pounders, are Gary Bickers and Jerry Cass.

PACERS Go In Wealthy Prep Race

Many of the nation's fastest pacers congregate this week at Hollywood Park to meet Saturday in the \$15,000 Stepping Stone Pace.

The Stepping Stone Pace features the week's racing program at Hollypark and serves as the final prep race for the \$50,000 American Pacing Classic, set for Saturday, Oct. 27.

Irvin Paul and Stephan Smith, full brothers who have dominated the wide-open pacing ranks this year, square off with the nation's top four-year-old, Henry T. Adios, on Saturday.

A sizzling mile is in prospect with Adios Butler's 1:55 3/5 track record placed in danger.

'Rookie' Back

PARNELLI JONES TOPS VETERAN ASCOT FIELD

There will be deep Indianapolis flavor at Ascot Park Saturday with Parnelli Jones of Torrance leading a group of brickyard veterans into a national USAC championship midget program. Racing director J. C. Agajian expects more than 40 drivers from all sections of the country to be in line for 7 p.m. qualifying. The first race, a three-lap trophy dash between the four fastest qualifiers, is at 8:30 p.m. Agajian has posted \$2500 in prize money for the feature race.

FORTY laps will be the main event distance.

Jones became the first USAC sprint car champ when the famous Midwest and Eastern circuits were combined last year. In 21 races Jones finished no worse than third in 16 of them. In two others he wound up fifth.

THE TORRANCE pilot finished first nine times, second four times, and third three times. Jones was Co-Rookie of the Year at Indianapolis in 1961 and last year became the first man in history to average more than 150 miles per hour around the brickyard.

A. J. Foyt, the 1961 "500" winner, will offer Jones his most serious competition. Foyt is only the sixth driver to win two national championships in succession, having accomplished the feat in 1960 and 1961.

ROGER McCLUSKY, Tucson, Ariz.; Norm Hall, Hollywood; Chuck Hulse, Downey; Dempsey Wilson, Lawndale, and the national midget car champ, Jimmy Davies of Monticello, Ind., are other Indianapolis veterans entered Saturday.

Davies, who now concentrates on driving the midgets, after a big car career which included eight Indy starts, is on the road to his third straight national title for the fast 110 Offys.

BOB WENTE, St. Louis, Mo., who chased Davies to the 1960 and 1961 titles and is again runnerup, will also be at Ascot.

A pack of Southland entries headed by Billy Cantrell is expected. Cantrell has trimmed Foyt in two out of three attempts. One-armed ace Allen Heath is also entered.

VIKE COACH Aramis Dandoy felt Robert Lindsey and Kim Brooks were outstanding as defensive linemen.

Behind the rugged offensive and defensive line play of Paul Kohl, the Torrance Oilers took a 22-0 nod from the Hawthorne Scorpions in another Peeewe Division tilt.

OILER MENTOR John Sarpolis indicated it was a team victory.

Torrance Elevens Nab Warner Wins

Four Torrance teams registered wins last Sunday in Pop Warner football competition.

John Cook scored twice on short one-yard plunges as the Torrance Vikings posted a 20-6 Peeewe Division win over the Hawthorne Bees.

The first Viking score came when Jack Hase rambled 28 yards on a double reverse for a touchdown. Cook and John Espinoza added extra points.

half scores, the Torrance Mustangs rolled over the Inglewood Outlaws, 22-0, in a Peeewe game at Inglewood.

THE FIRST TWO Torrance points came when the entire Mustang line tackled an Outlaw back in his own end zone.

The Mustangs' two first half tallies came on a 30-yard gallop by Chris Lamb and a 40-yard sprint by Steve Cole. Lamb added both extra points.

STEVE PATTEN' 20-yard sprint in the second half concluded Mustang scoring.

Defensive standouts for Torrance were Coy Hall, John Linehan, Lamb, Cole, and Patten, according to coach Bill Linehan.

IN A MIDGET Division contest, the Torrance Chargers overcame the determined Redondo Beach Rascals by a 6-0 count. Steve Jasper punched over from one yard out in the final quarter for the lone score.

The Chargers continually moved the ball well, but Redondo threw up a stout defense near its own goal.

DAN PRITCHETT snared

three long tosses, each good for about 30 yards. Two completions to Pritchett were thrown by John Reynolds and the other was tossed by Dick Gonzales.

The Torrance Blue Devils dropped a Junior Bantam contest to the Hawthorne Stingers by a 28-7 margin. Steve Ferguson hit Bob Kimpel with a 15-yard aerial for the lone Torrance score.

Ferguson was continually effective with short passes to ends Pete Rice and Dusty Johnson. Terry Weeks and Mark Sutryk topped the Blue Devil defense.

Seahawks Seek First Loop Win

Seeking its initial Western State Conference football victory, Harbor College runs up against pre-season favorite Pasadena Friday on the Lancer's gridiron. Harbor came close in last week's conference opener, dropping an 18-14 decision to Pierce. Lack of a passing game cost the Seahawks the victory. Harbor out-gained Pierce on the ground, 253 yards to 181, but the Brahmas piled up 190 yards in the air to the Hawks' 22.

TWO PIERCE tallies came on long passes.

One-man gang Ray Jones, the Harbor quarterback, scored all of his teams points. The first score came on a 60-yard roll-out in the first period. Jones tallied again in the third quarter on a 50-yard punt return as Harbor grabbed a 14-12 lead.

LLOYD EDWARDS topped Narbonne by punching over for all 13 points. Both touchdowns came on short plunges. The initial Gaucho score was set up by a 35-yard Mike Carter to Clark Ritchey aerial.

Mike Savidan set up the second six-pointer by bolting 12 yards down to the Bell two.

NARBONNE mentor Elmer Douglas felt his team made too many mistakes, but added, "They are beginning to come around."

Halfbacks Bob Brooks and Mike Rogow and linemen Glenn Yates, Ron Tlatisha, Claude Reynolds, Ted Miladinovich and Don Cunnigan were all praised for their improvement by Douglas.

NARBONNE Still After First Win

Winless Narbonne travels to Hamilton High tomorrow for a 3 p.m. practice contest.

The Gauchos lost a good chance of winning a game when they fell, 21-13, to Bell last Friday.
