

House Committee Report Lists Area Communists

By CHARLES E. CHAPEL
 Assemblyman, 46th District
 In my column for the week ending Saturday, Oct. 13, I asked readers to obtain and read a document titled: "Western Section of the Southern California District of the Communist Party—Hearings Before the Committee on Un-American Activities, House of Representatives, 86 Congress, First Session, Oct. 20, 1959, Part 1. Since then I have been told by some members of Congress that "no copies are available," while other members of Congress sent copies to me and to other voters in the area in which this newspaper circulates.

Although I mentioned only "Part 1," there are three parts and Part 3 contains an index of people and organizations in and near the 46th Assembly District which are controlled either directly or indirectly by the Communist party. By referring to the index, it is possible to obtain the whole, alarming story of treason now being committed right here in our own South Bay-Harbor area.

WHEN YOU read the Part 1 of the official report, start with page 1141 of Part 1 and read until you know the names of those who are presently politically active. Then turn to the Index of Part 3 and you will find other quotations from the testimony of these people. Even if you obtain only Part 1, the table of contents on page III of Part 1, lists names of people active in the South Bay-San Pedro Harbor area on behalf of the Communist cause.

The Honorable Morgan G. Moulder, member of Congress from Missouri, chairman of the subcommittee holding the hearings in Los Angeles, on page 1259, Part 3, of the report said: "I want to add this: There are many members of the

Communist party who have claimed and actually registered as Republicans and also Democrats in order to purposely embarrass both major political parties."

IN MY REPORT for the week ending Oct. 13, I suggested that you examine the "Candidate's Statement of Receipts and Expenditures" filed with both the Registrar of Voters of Los Angeles County and with the Secretary of State after you have examined the above-mentioned report of the House Un-American Activities Committee. You will find that certain organizations have donated substantial sums to one or more candidates who will be on the November ballot. Then, if you learn the names of the officers of these organizations, you will find that one or more of them cited as either members of the Communist party or members of "Communist front organizations" in the report of the House Un-American Activities Committee.

Write to any candidate in which you are interested and ask him this question: "Have you accepted money for your

Guest Pastor To Address Church Today

The Rev. William A. Burkey, city missionary of the Los Angeles Assn., will be guest speaker at the Narbonne Avenue Southern Baptist Church of Lomita today at the 8:30 and 10:55 a.m. services.

Pastor Robert A. Wells, who will speak at the evening service, is conducting a revival at the First Baptist Church of Thousand Oaks. He will also speak at the Oregon-Washington Baptist convention in their annual session in Wenatchee, Wash., Thursday.

The Lomita congregation is planning a week long revival starting next Sunday led by Evangelist Dr. Tommy Halsell, missionary to Brazil. The men of the church will have a revival preparation meeting Monday.

Teenage GOP Meets Monday

There will be a meeting of the Teenage Republicans of Torrance Monday at the home of Pam Milligan, 1551 Post Ave., 7 p.m.

Teenagers wishing to attend should contact Jerry Roberts, president, FA 8-0075.

Vets Can Transfer Records Near Home

Veterans can now transfer their records to a Veterans Administration office close to their home address, according to Sara R. Bridges, veterans service officer. To do so, contact the Veterans Service office at 1622 Gramercy Ave., Torrance.

Thieves Hit 2 Downtown Businesses

Two downtown business establishments within a block of each other were broken into early this week.

Thieves broke into the Stadium Theater, 1653 Cravens Ave., sometime between midnight and 9:30 Monday morning.

Money, most of which was in coins, was taken, police said. Entry was gained by entering a second story side window near the rear of the building. A top drawer of a filing cabinet and a top center drawer of an office desk were ransacked.

In the other robbery, thieves broke into the Torrance HERALD building and stole a television set valued at \$200 from the office of Co-Publisher King Williams.

Nothing else was found missing although two other offices had been entered. A desk drawer in the newspaper's circulation department was ransacked. Entry was gained to the building by breaking in a door leading into the print shop.

American Baptists to Meet In Long Beach This Weekend

American Baptists from all over Southern California met at Long Beach this week to attend the 71st Annual Southern California Baptist Convention. Sessions were held Thursday, Friday, and Saturday at the First Baptist Church at Long Beach.

The Convention theme was "Transformed Into His Likeness." Featured speakers included Dr. Roger Frederickson, Dr. William Braistad, and Dr. Benjamin Browne, president of the American Baptist Convention.

Western Avenue Baptist Church was represented with a large delegation led by the Rev. Charles Hughes, pastor. Mrs. Charles Hughes installed the officers for the State Ministers' Wives Fellowship at the annual breakfast Saturday morning. Mrs. Ruthy Enrietta, also of Western Avenue Baptist Church, was chairman of the morning session on Woman's Day Thursday. Mrs. Esther Ayers assisted in the registration.

campaign from any organization having one or more officers or members who are cited as Communists or Communist sympathizers by the House Un-American Activities Committee report dated Oct. 20, 1959, or any other report of the House Un-American Activities Committee?"

ASK HIM another question: "Have you accepted campaign money from any organization having one or more members who have pledged the Fifth Amendment when questioned

about Communist affiliation or membership by the House Un-American Activities Committee?"

Send your letter by registered mail, return receipt requested, so that the candidate to whom you write cannot claim he did not get your letter. When he answers you, send me not only his reply but also the envelope in which it came. I will then send you a bona-fide copy of excerpts from the above-mentioned report of the House Un-American Activities Committee showing the names

of persons who are cited in that report, evidence that they are officers of clubs contributing to the campaign funds, and also a verified copy of the Candidate's Statement of Receipts and Expenditures filed with the Registrar of Voters and the Secretary of State, showing that such clubs did donate to the candidate's campaign fund.

I hereby assume full responsibility for the truthfulness of the statements made in my Sacramento Report of the week ending Saturday, Oct. 13, which some papers did not print at all and some printed in part. I also assume full responsibility for the truthfulness of what

I have said in this column, this week. The Communists and their allies do not dare bring suit against any newspaper carrying my reports or against me because I have in my possession the evidence.

FORTUNATELY, all candidates for public office are not guilty. Most of them are loyal Americans and not only loyal but also intelligent enough to reject Communist support.

If the candidate you are interested in is not supported by Communist organizations, members or affiliates, I shall be glad to tell you so, regardless of his party affiliation.
