A Penny for your Thoughts

"What do you think about displaying the American flag in front of the home as a sign of unity in the Cuban crisis?" the Pennies inquirer asked persons at the Del Amo Shopping Center.

Mrs. Michael Searcy, Manhattan Beach: "I think it's a good idea. It might give people a little moral support to display the flag during a crisis. I have not paid much attention as to whether people are displaying the flag."

Mrs. Lynn Mobley, Hermosa Beach:

"I think that it would be a real good idea. It shows the enthusiasm of the people which is real good. I think the flag should be displayed only in a very critical situation to make it mean more."

Ron Cree, 5403 Clearsite St.:

"I like the idea. It shows Americans are together in the crisis. I think display of the flag would be a good idea in any bad situation. I think the idea should be pushed here in Torrance."

Mrs. R. E. Slater, 21626 Scannel Ave.:

"Very good idea. It gives me a nice feeling on holidays to think people have enough respect so I think it would help morale to display it during a crisis. It does make people stop and think when they do see the flag."

Gary Winfrey, Hawthorne:

"I think it's a good idea. It kind of shows you are behind what's happening and that's good because if you are behind your government it gives them confidence. It can't do any harm."

Both Teams Eye Chance At Playoff

Torrance football teams today reign as league-leaders in both the rugged Bay and Pioneer circuits. Remaining undefeated in league play, Torrance out-gunned Lennox, 33-6, Friday night while North High was busy whipping South High, 20-0.

League Slates Finance Drive

Provisional League of Women Voters will conduct its first finance drive Nov. 8 when members individually call upon interested citizens in the community to support their work with contributions. Proceeds go towards league activities connected with promoting citizen responsibility in government. As a pre-election voters' service the Torrance provisional league sent speakers to various organizations throughout the city to discuss measures on the November ballot.

In addition a general meeting to inform the public of the leading arguments for and against the 25 state measures was held by the group.

Financial drive chairman is Mrs. Louis Lanzer. Committee members include: Mmes. Albert Nadel, Donald Brink, Robert Christensen, Donald Finklestein, C. E. Mabry, C. K. Howey, James Hawkins, Emery Reeves, M. B. T. Davies, C. R. Berwanger, O. W. Christianson, Robert Saunders, Warren Shalies, Milton Feinberg, William Geissert, Burt Belzer, P. E. Mullen, A. A. Curtis, G. S. Ingersoll, James Ries, Sydney Weiner, R. E. Friedson, H. P. P. Foote, and Donald Salk.

By winning, the Tartars remained atop the Pioneer League. Previous Bay League leader Redondo went down to a 7-6 defeat at the hands of Mira Costa as North moved into the top spot with a 4-1 record, only one-half game ahead of Redondo and Hawthorne.

BOTH THE Seahawks and Hawthorne are 3-1-1 for the league campaign. The two second-place clubs tied 13-13 when they played early in the season.

North will meet Hawthorne in the final loop-struggle of the season in what may turn out to be the title-deciding tilt.

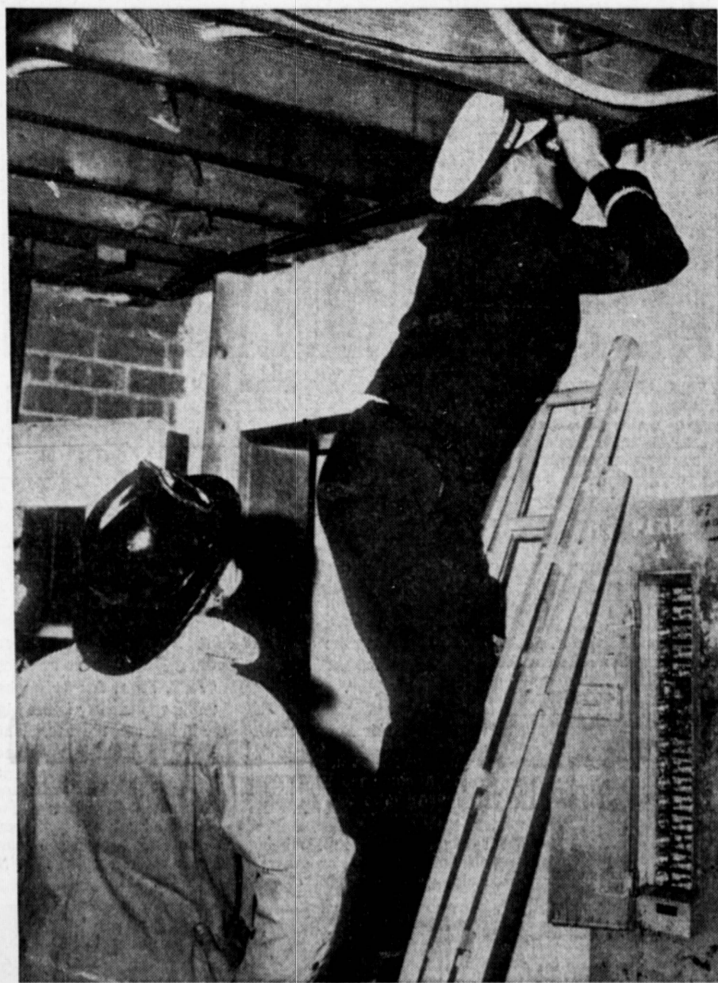

Torrance must get by dangerous Palos Verdes at homecoming next weekend before taking on mediocre Lawndale in the final league game two weeks hence.

Carol Woodman Reigns as Queen

Announcement that Carol Woodman is the Torrance High School Homecoming Queen was made Friday to the student body assembled for a football rally.

The queen's court includes Princesses Sharyn Foster, Georgann Gillett, Gail Hyde, and Carol Waggoner.

Queen Carol will rule over the annual Torrance High Homecoming activities centering on the Torrance-Palos Verdes High School football game scheduled Nov. 9 at the Tartar stadium.

NO DAMAGE . . . Fire Marshall Capt. Frank Tuttle of the Torrance Fire Department checks for possible trouble spots in a building, in the downtown section, formerly the Fox Market. Fire broke out in a mop head on rafters inside the structure. Quick response by the fire department avoided damage to the structure. The mop head was burning when the department arrived. Democrats in 10,000 Lead Among Voters

A total of 48,715 Torrance voters will be eligible to cast ballots next Tuesday, according to a compilation of voters registrations completed this week by Frank M. Jordan, secretary of state. The figure is the highest total ever to qualify in the city.

Democrats continued to hold a lead in registrations with a total of 28,182 indicating a preference for that party. The total represents a gain of nearly 2,000 over the 26,227 registered as of Jan. 2, 1962.

REPUBLICAN registration totaled 18,780 as of Sept. 13, 1962, the cutoff date for voters wishing to qualify for next

Trustees to Receive Two Site Plans

Potential location of the proposed South Bay State College have been reduced to a choice between sites in the general geographical area of Torrance and Palos Verdes, Dr. Leo F. Cain, president of the new State College, stated.

Detailed analyses of site characteristics of both Torrance and Palos Verdes have been prepared by A. Quincy Jones and Frederick Emmons and Associates, consulting Architects of the South Bay State College, assisted by Dr. Harry A. Nethery, Dean of Facilities and Planning on the College staff.

THIS STUDY is to be presented to the Board of Trustees of the State Colleges of California at their Nov. 8 meeting at Long Beach State College. This new institution of higher learning is slated to receive \$7,700,000 from the \$270,000,000 bond issue appearing on the Tuesday ballot. This amount was established for site acquisition and the construction of initial facilities. South Bay State College is listed as fifth in the priority schedule of 327 projects proposed under Proposition 1-A.

Vote Tuesday

In recent weeks, The HERALD has commented editorially on the qualifications of candidates seeking election to the major offices at stake in Tuesday's balloting.

A recapitulation of the recommendations is published today on the editorial page.

The importance of Tuesday's election cannot be overstated — and voters this year have a clear-cut choice for major offices which can determine the direction in which California will be taken in coming years.

Turn now to page 4 for The HERALD's comment, and be sure to vote Tuesday.

Tuesday's election. Their total represents a gain of more than 2,000 over the 16,368 eligible last Jan. 2.

Prohibition registration dropped from 12 to 10, those who declined to state rose from 1,285 to 1,398, and the miscellaneous registrations (which are not specified) rose from 336 to 345. The miscellaneous registrations include those who registered as bipartisan, impartial, independent, neutral, noncommitted, none, nonpartisan, nonpolitical, no special party, and unaffiliated, Jordan reported.

TOTAL registration in the 17th Congressional District rose from 141,445 in January to 157,012 as of Sept. 13. Party registrations show the Democrats enjoy a substantial margin with 107,894 while the Republicans registered 44,103. Prohibition Party registrations totaled 120, another 4,129 declined to state, and 766 are registered under the miscellaneous column.

The Democrat registrations represent 68.72 per cent of the district's total and the Republican represents 28.09 per cent.

THE 46TH Assembly District has boosted its Republican registration above the 50 per cent mark since January, with a total registration of 54,186 voters for 50.12 per cent of the 108,114 total. The Democrat total is 49,800, or 46.06 of the total.

The lead of the Democrats in the 68th Assembly District has been cut slightly since January — from a substantial 72.01 per cent of the total to 71.08 of the present 74,791 total. The Democrats total 52,876 and the Republicans 19,510.

Suit Filed Against Local Firm

Harvey Aluminum of Torrance and The Dalles, Ore., were named yesterday in a federal suit filed in the District of Columbia Federal Court.

Labor Secretary W. Willard Wirtz charged in the suit that the Harvey Aluminum Co. hired a Portland detective agency to obtain information on employees during a dispute with a labor union. The suit alleged that the provision of the Landrum-Griffith Act had been violated.

The Act requires that agreements between an employer and a labor consultant be reported, Wirtz said, and he added that neither Harvey officials or officers of the detective agency made the required report.

Harbor Freeway Heavily Traveled

The Harbor Freeway, its full length of 22 miles between Los Angeles and San Pedro completed this year, carried an average daily traffic of 200,000 vehicles in the downtown Los Angeles section. It is considered the most heavily traveled highway in the country. This urban freeway, first discussed as early as 1937, and under construction for 15 years, was built at a total cost of \$103.5 million.

Fast-Working Forger Bilking Car Sellers

A fast-working forger who specializes in purchasing privately sold autos with funny checks was the subject of a strong warning issued this week by Torrance detectives.

Officer Gene Erbetta told The HERALD that the "car buyer" had already purchased a number of cars in the Long Beach, Harbor, and Torrance areas and had issued as much as \$10,000 worth of phony checks. Most of the cars were priced between \$400 and \$750, Erbetta said.

The detective said the suspect usually answers advertising placed in newspapers by private parties. He agrees to buy the auto, writes out a check for the full amount, and takes the car and pink slip.

He immediately turns around and sells the car to another private party or dealer at a lower price and disappears.

The most frequently used alias is "Ed Miller," Erbetta said. The man has been de-

scribed as a glib talker, well dressed, and may be using other names.

Persons selling automobiles privately have been warned by

Erbetta not to deliver the pink slip or ownership certificate until the check offered in payment has been cleared by the bank for payment.

EARLY CUSTOMER . . . Among the first customers at the new Social Security District Office at 1408 Crenshaw Blvd. was Bobbet King, Miss Torrance, shown receiving aid in filling out an application for a social security card by Miles A. Davis, district manager. City councilmen, Chamber of Commerce representatives, and other civic officials turned out for opening ceremonies Friday. (Herald Photo)

VISITS HIGH SCHOOL . . . Opera star Irene Dalis visited students Friday on the campus of Bishop Montgomery High School in Torrance. Talking over her appearance with the San Francisco Opera Co. in Los Angeles are seniors Mary Campbell, left, and Sharon Breden. The star is also appearing as the leading mezzo-soprano of the Metropolitan Opera Co. in New York City. She visited a fan club formed in her honor on the local campus. (Herald Photo)
