CHARLES EDWARD CHAPEL
MEMBER OF THE ASSEMBLY, FORTY-SIXTH DISTRICT
CALIFORNIA STATE LEGISLATURE

POST OFFICE BOX 327 REDONDO BEACH, CALIFORNIA

Dear Friends:

These are critical days in the lives of all Americans. How we vote at the coming election may well determine our very existence. We can lose our personal freedom if we weaken home-rule and leave everything to "big government" in Washington, D.C., and Sacramento. I have voted against all bills to create new taxes or increase existing taxes because the power to tax is the power to destroy our individual rights.

Communism, socialism, narcotics, indecent literature and other evils I have effectively fought are still dangers, but the communists can take over America without firing a shot or dropping a bomb if we ruin ourselves through excessive taxation.

Please remember these truths, go to the polls on November 6, and vote to protect your own freedom.

Very respectfully yours,
Charles Edward Chapel
