'Spiritual Healing' Topic
Of Sunday's Lesson-Sermon

Spiritual healing will be a topic dealt with at Christian Science services Sunday in a Lesson-Sermon on the subject "Mortals and Immortals." Scriptural selections will include this verse from Matthew:

"And when he had called unto him his twelve disciples, he gave them power against unclean spirits, to cast them out, and to heal all manner of sickness and all manner of disease."
One of the correlative citations to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states:
"Every day makes its demands upon us for higher proofs rather than professions of Christian power. These proofs consist solely in the destruction of sin, sickness, and death by the power of Spirit, as Jesus destroyed them. This is an element of progress,"
