North Rated Underdog in

Upset-inclined North High will see its rugged defense put to the stiffest test of the year tomorrow at 8 p.m. against Loyola at El Camino College in the second round of the CIF football playoffs.

North surprise winner of the Bay League championship, will be a decided underdog against Catholic League title-winner, and CIF co-favorite Loyola.

Tickets at the gate will cost \$1.50 for adults and students and 50 cents for children under 12. Tickets, for students, may be purchased at North for 50 cents.

WHILE NORTH boasts the finest defense in the playoffs, Loyola will encounter with the probable CIF player of the year.

Offensively, North has racked up 137 points. Pacing the Saxon attack are two first string Bay League picks, quarterback Norm Dow and halfback Carey Hubert

City Short Of Evicence In Sex Case

Efforts to extradite a suspect from Pecos, Tex., for prosecution in the sex slaying of a young Torrance girl has been abandoned for the present, it was reported here yesterday. Police Sgt. Jack Hahn said detectives had not given up, but they lack sufficient evidence now to press for

extradition.

The suspect, Herbert O.

Norwalk, was questioned in
Texas by Torrance detectives

Broderick was jailed in Pecos and then held for prosecution on armed robbery charges in Denver and in Torrance. Police say Broderick faces a prison term on the Denver robbery and "should be available" if local officers are able to connect him with the disappearance of either of
